  - c) any other item specifically required in articles 2, 3 and 5;
  - d) 2 recommendation contacts (name, surname, affiliation and email address).
16. The same procedure established in the previous paragraphs for Italian citizens should be applied to citizens of the European Union. Citizens of countries not belonging to the European Union, regularly residing in Italy, can use the self-certifications established by the Italian D.P.R. no. 445/2000 limited to

the countries, personal qualities and facts that can be certified or attested by Italian public bodies, with the exception of the special provisions contained in the legislation and regulations concerning immigration and the status of foreigners.

17. Citizens of countries not belonging to the European Union authorised to reside in the Italian territory can use the aforementioned self-certifications if the same are produced under international agreements between Italy and the country of origin of the declarant.
18. The University performs sample checks on the truthfulness of the declarations made by the candidates in the applications and in the curriculum, reserving the right to request the original copies of the publications indicated in the application.
19. If the above check reveals that the content of the declaration is not true, the declarant will be excluded by any benefits conferred on the basis of the untruthful declaration, without prejudice to the provisions of the criminal code and relevant special legislation.

#### Art. 4 – Selection Committee

1. A Selection Committee is purposely appointed in accordance with art. 9 of the Regulations, to award the research fellowships.
2. Prior to examination of the applications, the Committee determines the general criteria for evaluation of the scientific-professional qualifications required for participation in selection, the possible preliminary tests, the project proposal, the interview and the evaluation criteria described in articles 2 and 5, with regard to their specific relevance to the research activity subject of this call and establishes, for each type of qualification, the score to be attributed, in accordance to the evaluation grid defined by the Regulations on Research Fellowship Awarding (see att. A).
3. The selection reports will be approved by decree of the Director of Department and made public as established by articles 10 and 11 of the Regulations on Research Fellowships Awarding.

#### Art. 5- Assessment procedure

1. The selection is made by assessment of *the scientific and professional qualifications, the curriculum vitae and scientific production of the candidates, integrated by a research project*, drawn up according to the scheme provided in the web pages of this University ([link](#)) followed by an interview.
2. Candidates are admitted to the interview on the basis of assessment of their scientific-professional qualifications, their *curriculum vitae*, their scientific production and the research project submitted.

**The interview that will be held by video** aims to assess the candidates' skills and expertise on the following subjects:

- discussion of the proposed research project relevant to the themes of the project FARE “EarlyGeoPraxis” – Positioned Cosmology in Early Modernity: The Geo-Praxis of Water-and-Land Management in Venice, that the fellow will contribute to implement with his/her research;
  - scientific skills relevant for the research areas of the project FARE “EarlyGeoPraxis” – Positioned Cosmology in Early Modernity: The Geo-Praxis of Water-and-Land Management in Venice;
  - English knowledge and speaking relevant for the research areas of the project FARE- “EarlyGeoPraxis” – Positioned Cosmology in Early Modernity: The Geo-Praxis of Water-and-Land Management in Venice.
3. Candidates whose qualifications are judged to be insufficient by the Selection Committee, in accordance with the preceding art. 4, are excluded from the interview. The candidate must reach a minimum threshold of 56/80.

4. Exclusion is justified in detail in the selection reports which can be accessed in accordance with law 241/90, and as established also in the subsequent art. 8.
5. The following qualifications are considered as **preferential evaluation criteria**:
  - a. specialisation diplomas and attendance certificates at post-graduate specialisation courses, obtained both in Italy or abroad;
  - b. the performance of documented research activity in public and private organisations with contracts, study grants or assignments both in Italy.

#### **Art. 6 – Selection and ranking**

1. The classification and consequent identification of the successful candidate will be made by the Selection Committee, which can award a total of 100 points, as established by the Regulations on research fellowship awarding (see Annex A), to be allocated as follows:
  - Qualifications (including publications), up to 50 points;
  - Proposed research project, up to 30 points;
  - Interview, up to 20 points.
2. Candidates are admitted to the interview if assessment of the qualifications and research project results in a score equal to or greater than 56/80.
3. The interview will be held in any case **on the 10/07/2023 at 9:30 am – Italian time - by Google Meet**. The list of candidates admitted to the interview, or any delaying, will be published on the 03/07/2023.
4. Publication of the above calendar and of the shortlisted candidates, constitutes notification to all intents and purposes of the call for applications.

Shortlisted candidates are therefore required to connect, with the identification document presented at the time of submission, on the day and at the time specified in the public notice.
5. Absence of the candidates at the interview will be considered to all intents and purposes as a withdrawal from the selection, whatever the cause.
6. **The interview is held publicly. Candidates are deemed to have passed the interview if they reach a minimum score of 14/20.**
7. **Candidates are considered suitable for the specific research activity if the sum of the points assigned to the qualifications, the research proposal and to the interview is equal to or greater than 70/100.**
8. On the basis of the scores attributed, the Committee draws up a merit ranking list in accordance to articles 7 and 10 of the Regulations.
9. In the event of two or more candidates obtaining the same score at the end of the selection, the younger candidate will be preferred.

#### **Art. 7 – Awarding of the research fellowship**

1. Having received the selection documents, the Director approves, by his own decree, the ranking list and the selection procedure reports and makes them public according to the procedures specified in the following art. 8. The approval decree ascertains the overall regularity of the procedure and compliance with current legislation and the University regulations.
2. If any irregularity is found, the Director of the structure requests clarifications from the Selection Committee. In the absence of a response within 20 days of the request or in the event of a negative evaluation of the elements provided in the response, the Director of the structure repeals the procedure.

3. The deadline for any appeal against the procedure is set by the date of the publication of the ranking list.
4. The ranking list is valid for a period of one year.
5. The Department/Centro that issued the call can use the ranking, without prejudice to ensure adequate financial coverage, in the following cases:
  - a) impossibility to sign the contract with the winner;
  - b) withdrawal of the winner before the contract is signed;
  - c) withdrawal of the winner after the contract is signed;
  - d) in case the need to activate additional positions on the same specific project arises;
6. In case the contract cannot be signed, the amount set aside for the present call for applications will be made available to the Department.
7. The Director of the Department where the research programme will be conducted, awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements.
8. The latter must accept the award within 7 days from receipt of the communication by signing the relative contract at the competent office of the Department of Philosophy and Cultural Heritage. The contract establishes the terms and procedures for the collaboration and allocation of the grant, within the terms set in article 1.
9. The research fellowship can be renewed, subject to the necessary financial backing, in the manner and under the terms established by articles 2, 14 and 16 of the Regulations on research fellowship awarding and by art. 12 of the present call.

#### **Art. 8 – Publication of the selection procedure**

1. Publication of the results of all the selection phases is ensured by affixing a notice at the premises of the concerned department, in the provided spaces, with indication of the scores assigned to the qualifications, to the research proposals and to the interview and the final classification. The selection documents are made public also on the university website and on the other web pages as established by the current regulations.
2. Access to the selection documents is guaranteed pursuant to the law of August 7<sup>th</sup> 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

#### **Art. 9 – Activity of the research fellow**

1. During the whole research period, the activity of the research fellow is conducted at the Department awarding the fellowship, except for external missions envisaged by the research project and/or those the tutor or the Department Director have authorised in advance, as established in art. 13 of the Regulations on research fellowship awarding.
2. The activity of the research fellow is conducted independently and without set working times, solely within the limits of the research programme and the indications provided by the research coordinator, who will act as tutor without prejudice to art. 13 of the Regulations on research fellowship awarding.
3. The activity of the research fellow in no way constitutes a subordinate working relationship and does not give rise to rights in respect of access to permanent employment at the University.
4. The research fellow must register with the INPS separate management scheme. Also, he/she has to register on the portal of the Ministry of Education <https://loginmiur.cineca.it/>, to implement the U-GOV catalogue containing the scientific publications produced by the research fellow, to comply with the

University Regulations, specifically this notice, University Regulations on research Knowledge Valorisation and the attached University policy – Guidelines on IP and confidentiality in research agreements, the University Codes of Ethics and of Conduct, the Regulations containing the code of conduct for public employees, pursuant to Article 54 of Legislative Decree no 165.

**Art. 10 – Intellectual property, patentability and confidentiality**

The legal and economic aspects relative to protection and exploitation of all the results of the research will be established by the contract stipulated with the winning candidate/s. Specifically, without prejudice to authors' moral rights, the University is entitled to the Industrial Property Rights on the research results and the Copyright on the Particular Intellectual Works developed by the research fellow. In this sense, the University Regulations on research knowledge valorisation (in particular art. 4) and the definitions provided therein apply.

**Art. 11 - Incompatibility – Ban on accumulation – Suspension of activity**

1. Research fellows can hold teaching contracts within the University and can be part of the examining committees as experts in their subject, having regard to art. 4 of the regulations on research fellowship awarding.
2. The research fellowship may not be accumulated with study grants awarded for any reason, except for those awarded by national or foreign institutions for stays abroad in order to integrate the research activity of the research fellow.
3. The research fellowship is not compatible with participation in degree courses, specialist or master's degree, PhD with grant or medical specialisation, in Italy or abroad, and entails extended unpaid leave for public administration employees, even if part-time employed, without prejudice to the provisions contained in the laws concerning the appointment of paid assignments to full-time civil servants.
4. Research fellows may undertake self-employed work or occasional or continuous collaborative work, compatibly with the research activity and subject to the authorization of the department, provided that the work:
  - does not involve a conflict of interest with the specific research carried out by the research fellow;
  - does not harm the University.
5. The research and the fellowship can be suspended, subject to approval by the department after hearing the tutor, without prejudice to the provisions of Art. 13, for the following reasons: compulsory military service, compulsory maternity leave paternity, adoption and foster care leave and parental leave, serious illness or serious family circumstances, awarding of scholarships granted by national or foreign institutions permitted by current legislation and not directly linked to the research programme funded by the fellowship, for a maximum of one year, it being understood that the total duration of the fellowship shall not be reduced due to such suspensions. An overall period of justified absence of less than thirty days in a year does not constitute suspension and, consequently, does not have to be made up for.
6. An overall period of justified absence of less than thirty days in one year does not constitute suspension and consequently does not have to be made up.
7. Research fellows can participate in university research groups and projects, whatever the funding body.
8. In any case the fellowship will be awarded having regard to article 18 of the Regulation on the research fellowship.

#### **Art. 12 – Method of control and assessment of research fellow activity**

1. Without prejudice to the provisions of para. 2 of this article, the research fellow is required to report on his/her research activity whenever requested to do so by the tutor. For said purpose the research fellow may be required to keep a diary-register in which he/she periodically notes the state of progress of the research programme, except for art. 13 provisions within the Regulations.
2. The research fellow is required to present to the Department, at the end of the tenure period and in any case at the end of each year, in the case of a grant lasting several years, a written report on the research activity conducted also for the purpose of adjustment of the amount of the research fellowship grant where scheduled by the contract according to the preceding art. 7. In the report, the research fellow shall accurately and thoroughly detail the research methods applied and achievement of the results, even though they might be partial results, with reference to the specific programme in which he/she collaborates with, also for the purpose of renewal of the grant if necessary, except for art. 13 provisions within the Regulations.
3. At the end of their research activity, the research fellows are required to provide the Department with:

For both the fellowships: -two significant scientific publications at least ready for submission (e.g. articles in a journal, monographs, papers, conference proceedings, etc).
--
4. The report, together with the opinion of the tutor on the appropriateness of the research methods applied and the validity of the results achieved, is submitted for examination to the Council of the Department or the body responsible.
5. In the event of a negative assessment, the Council of the Department or the body responsible, having consulted the research fellow, can propose revocation of the grant. Early termination of the collaboration in the research activity is decided by the Council of the Department or the body responsible.
6. At the end of the grant, the above report shall describe accurately and thoroughly the research methods applied and achievement of the goals set by the research programme, also for the purpose of renewal of the grant if necessary.
7. Collaboration in the research activity may be terminated early in cases of serious and documented non-fulfilment of the requirements by the research fellow as notified by the tutor or by the Council of the department or body responsible. Likewise the University is entitled to take any legal action to protect its interests and assets.

#### **Art. 13 – Taxation, social security and insurance**

1. In respect of taxation, the fellowships are subject to the provisions of art. 4 of the law of August 13<sup>th</sup> 1984, no. 476 and subsequent amendments and additions, and in respect of social security, those of art. 2, paragraphs 26 and following of the law August 8<sup>th</sup> 1995, no. 335 and subsequent amendments and additions.
2. The fellowships in this call are subject, in respect of compulsory maternity leave, to the provisions of the decree of the Ministry of Employment and Social Security of July 12<sup>th</sup> 2007, published in the Official Gazette no. 247 of October 23<sup>rd</sup> 2007.
3. During the period of compulsory maternity leave, the benefit paid by INPS (National Social Security Institute) in accordance with article 5 of the above decree of July 12<sup>th</sup> 2007 is integrated up to the entire amount of the research fellowship by the body responsible for administration and management of the grant.

4. The fellowships are subject, in respect of sick leave, to article 1, paragraph 788, of the law of December 27<sup>th</sup> 2006, no. 296, and subsequent amendments and additions.
5. The financial aspects of the research fellowship are regulated by the ministerial notes no. 2867 of December 15<sup>th</sup> 1997 and no. 523 of March 12<sup>th</sup> 1998; the remuneration, in the light of the resolution no. 17/E of the Ministry of Finance, ref. no. 2000/30703 of February 22<sup>nd</sup> 2000, comes under the category of incomes equated to those of subordinate employment since they fall within the scope of art. 50 (ex art. 47), par. 1, letters c) and c)-bis of the D.P.R. no. 917 of December 22<sup>nd</sup> 1986 and subsequent amendments in the matter of 'Tax Consolidation Act'.
6. The University provides insurance cover for accidents and third party liability for the research grant holders during their research activity.

#### **Art. 14 – Processing of personal data**

Personal data provided by the candidates in their applications for participation in the selection procedures, are processed pursuant to the legislative decree of June 30<sup>th</sup> 2003, no. 196 and subsequent amendments and additions and to the EU Regulations 2016/679. Comprehensive information on personal data processing can be found here <https://www.unive.it/privacy> or here <http://www.unive.it/data/12137/>.

#### **Art. 15 – Person in charge of the procedure**

Pursuant to the provisions of art. 5 of the law of August 7<sup>th</sup> 1990, no. 241 and subsequent amendments and additions, the person in charge of the administrative procedure for this selection is Attorney Esterita Vanin, Executive Officer of the Department of Philosophy and Cultural Heritage.

#### **Art. 16 – Final provisions**

The University Regulations and the current legislation will apply to all matters not covered in the following call.

Venice, 22/05/2023

THE DIRECTOR  
of the Department of Philosophy and Cultural Heritage  
Prof. Giuseppe Barbieri

#### **Visto R.P.A.**

THE EXECUTIVE OFFICER  
of the Department of Philosophy and Cultural Heritage  
Atty. Esterita Vanin
