Course catalogues

Module catalogues for each semester list all planned modules for each of the 14 faculties and their institutes including information on module title, instructor, language of instruction, and teaching period.

Further catalogues list:

- electives in the Humanities, Social Sciences and Arts
- inter-faculty key qualification modules open to all fields
- extracurricular language acquisition

Registration for modules will be open after successful enrollment at Leipzig University.

Courses of study and study guides

(English website only lists degree programmes offered completely in English. For a complete list of programmes, please switch to German website.)

For each degree programme, the following details are available:

- Links to faculty/institute (information on faculty staff on those websites)
- Requirements and contents (programme overview and structure, list of modules and ECTS credits)
- Downloads of programme-specific study guides
- Further details at a glance (field of study, degree type and degree, language of instruction)

Required language skills in language of instruction

Regulations set in the inter-institutional Agreements - predominantly German and/or English, each of minimum proficiency:

- B2 (CEFR) for the language of instruction, especially for Master programmes and doctorates
- B1 (CEFR) minimum acceptable if approved on an individual basis
