APPLICATIONS NOW OPEN FOR THE 2025 VENICE INTERNSHIP

An opportunity for Italian students to be part of the National Pavilion United Arab Emirates during the 19th International Architecture Exhibition

The National Pavilion UAE – la Biennale di Venezia’s Venice Internship offers training opportunities for students of Ca’ Foscari through a one-month internship on site in Venice, where they will staff the UAE’s exhibition during the 19th International Architecture Exhibition (May 10th - November 23rd, 2025).

The Internship Program is open to students of Ca’ Foscari University and IUAV who are 21 years old or above at the time of the internship period, and who have an interest or background in Architecture, Art, Communications, Design, International relations, Performing Arts, or any other related discipline.

Rotated monthly throughout the eight months of the Biennale, Interns will be given the opportunity to earn hands-on experience by overseeing the daily operations of the exhibition in Venice. Additionally, students will be paired up with interns from the UAE where students may further develop an understanding of Middle Eastern culture, language, arts and design.

The National Pavilion UAE - la Biennale di Venezia is commissioned by the Salama bint Hamdan Al Nahyan Foundation and supported by the UAE Ministry of Culture.
