HOMO FABER FELLOWSHIP

The Homo Faber Fellowship is a yearly eight-month international sponsored craft training programme designed for duos of master artisans and emerging talents. The fifth edition (2027/28), taking place from September 2027 to April 2028, will benefit up to 40 duos.

For the first time, master artisans based in the United States and Canada are now eligible to apply, in addition to those based in Europe. Fellows of all nationalities and countries of residence are welcome to apply.

Here is how you can get involved:

- **Identify students/recent graduates:** Share information about the call for participation to potential students who may wish to apply for Homo Faber Fellowship.
- **Join our Call for Participation Webinar:** Our team will present the programme in detail and answer your questions. Registration is mandatory:
  - Thursday 19 November – 11:00-12:00 CET
  - Thursday 3 December – 15:00-16:00 CET
- **Co-host a Webinar:** Partner with us to present one or both programmes to interested students / recent graduates.

We deeply appreciate your support in championing craft excellence, and remain available at education@homofaber.com to answer any questions you may have.

Thank you for your time and consideration.

Sincerely,

The Homo Faber NextGen Team
