Description

The Department of *Economics* at Università Ca' Foscari Venezia invites applications for a fellowship in:

- **Title:**

Survey on climate change adaptation studies in coastal zones.

- **Academic Discipline or disciplines specifically identified by the call** SECS P/06
- **scientific coordinator and tutor:** Prof. Carlo Giupponi
- **duration:** 12 months

abstract:

The project will study technical-scientific literature and "gray" literature (in particular reports on economic, environmental and climatic policies in coastal contexts with problems similar to those of the Venetian context). It will also aim to acquire evidence on case studies of interest, from which to extract useful information regarding possible measures and projects for adaptation, with particular regard to their costs and benefits and the methods of measuring their environmental performance.
