Description
The Department of Management at Università Ca' Foscari Venezia invites applications for one-year post-doc fellowship in: **The development of the application of Accounting Unbundling in Sectors regulated by ARERA**, under the supervision of prof. Ugo Sostero - SECS-P/07 (Business Administration and Accounting Studies).

Abstract: The project aims to study the application of accounting unbundling in the sectors that are subjected to the supervision of ARERA (the Italian environmental, energy and utilities networks regulator) in order to monitor, also through economic-statistical analysis on Separate Annual Accounts, the effects of regulation. It is also proposed to identify possible evolutionary solutions to the current regulations on accounting unbundling.

The research shall be carried out in Italian language. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.
