The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following ([link](#)). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Linguistics and Comparative Cultural Studies at Università Ca' Foscari Venezia invites applications for 2 post-doc fellowship in:
(area CUN 10)

The research may be carried out in English.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.

Who can apply

Prospective candidates are expected to hold a doctoral degree, or related disciplines suitable for carrying out research activities

Preferred fields of specialization are:

The research project should focus on: the study of language acquisition, language competence and language processing in typical and atypical situations; across the lifespan; with the use of new experimental and online methods (such as eye-tracking, key-stroke logging, visual world paradigm); with comparable and replicable experimental paradigms, on comparable languages, ages, populations and contexts, on bi- and multilingual populations involving less studied combinations (including bimodal bilingualism between a spoken and a signed language) which are fundamental to our understanding of linguistic, cognitive and socio-cultural processes in educational and rehabilitation contexts; aimed at refining linguistic and communicative interventions protocols (including remote interventions), for educational and rehabilitation contexts; to prevent linguistic and communicative difficulties

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar. Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.
