Research fellowship Analysis of the infodemics process and misinformation spreading around Covid-19 - Università Ca' Foscari Venezia (Italian law 30 December 2010, n.240, art. 22)

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following (link). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Environmental Sciences, Informatics and Statistics at Università Ca' Foscari Venezia invites applications for fellowship in:

TITLE: Analysis of the infodemics process and misinformation spreading around Covid-19
SSD: INF/01
Tutor: Dott.ssa Fabiana Zollo
Duration: 12 months

Abstract: The VIDERE project aims at supporting communication strategists and decision makers around the world to invest their campaign resources into audiences, and messages most likely to drive behaviors change associated with better public health outcomes in the context of the Covid-19 infodemic. The ultimate aim is to create a digital platform that will help to understand the impact of misinformation on sentiments and emotions towards disease risk as well as willingness to comply with health interventions.

The research can be carried out in English. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.

Who can apply

Prospective candidates are expected to hold a master’s degree in Computer Science, Information Engineering, Statistics, or related fields, or related areas or equivalent foreign qualification or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar. Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.
Duration of contract: 12 months, approximately starting: **November 2021**

**Stipend:** The research fellowship amounts to **34.354,44 Euros per year**, including taxes and social charges.

**Deadline for submission of applications:** Oct. 11, 2021 at 12.00 noon.

**How to apply:**

Candidates should submit:

1. The application form;
2. A motivation letter (max 1 page) along with their CV in European format, duly dated and signed, both to enclosed as a one single.pdf file. ([link](#))
3. A copy of a valid identity document (either Identity Card or Passport);
4. (If available) Evaluation Summary Reports of Marie Skłodowska Curie Actions - Individual Fellowships/ ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) individual proposals having passed all the evaluation thresholds;
5. (If available) Details of Marie Skłodowska Curie Actions - Individual Fellowships, ERC Starting Grants, FIRB (Italian Fund for basic research investments)/ SIR Scientific Young Independence Research funded projects;
6. All documents, qualifications and publications relevant for the selection procedure (please, see the notice [link](#)).

All the schemes of the quoted documentation are available on the website ([link](#)). The form for declaring the availability to carry out the interview remotely which can be found at this link [www.unive.it/moduli-assegni](http://www.unive.it/moduli-assegni) and must be sent via email to segreteria.dais@unive.it with the object Analysis of the infodemics process and misinformation spreading around Covid-19 - Prof. **Fabiana Zollo**.

**How to submit your application**

Applications should be submitted by the online procedure, available on the notice webpage ([link](#)).

Or submit here:

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of his/her application.

The candidate, if necessary, could access the procedures for updating any data and materials by the link provided by the e-mail, in any case any updates must be made no later than the deadline **Oct. 11, 2021 12.00 noon**.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline.

Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is
suggested not to start the process close to the deadline.

**NB:** The University does not take on responsibility for wrong or late communication of addresses, nor for any communication problem not depending on the University.

**Evaluation**

Up to 100 points, specifically:
For qualifications, publications and possible tests, from 0 to 60;
For interview, from 0 to 40.

**Selection procedure**

The interview will take place on **Oct. 19, 2021 at 11.00 a.m. Italian time**. Based on the Prime Ministerial Decree of March 1, 2020 "Further implementing provisions of the Decree-Law of February 23, 2020, no. 6 containing urgent measures regarding the containment and management of the epidemiological emergency from COVID-19", it will be possible to carry out the competition tests only electronically. The list of candidates admitted to the interview or any postponement will be announced on **Oct. 18, 2021** by notice that will be published on the website of this university ([link](#)) and on the web pages foreseen by current legislation.

This communication constitutes to all intents and purposes an official call and candidates will not receive any call or home communication. Therefore, candidates are required to present themselves, at the online interview, with a valid identification document, without prior notice, on the days and times indicated here. Any postponements will be made known on the day by means of a notice which will be published on the website of this university ([link](#)) and on the web pages envisaged by current legislation.

**The interview:**

The interview questions will cover:
- Community detection
- data-driven modeling of complex systems
- machine learning, sentiment analysis, text mining
- Programming
- Good knowledge of English
- Good knowledge of Italian (in case of foreign candidates)

**Information**

The grant holder must express acceptance within 7 days from receiving the communication and must sign the relevant contract at the competent office.

Considering the current travel restrictions on the whole national territory and the impossibility of accessing the structures, as a consequence of the epidemiological state of emergency from COVID-19, the grant holder must sign the relevant contract.
by affixing remote digital signature (https://www.agid.gov.it/it/piattaforme/firma-elettronica-qualificata/ottenere-firma-elettronica). In the impossibility of acquiring the digital signature remotely, exceptionally, it will be possible to proceed with the acquisition of the signature by correspondence (1). These provisions remain valid until the emergency ends, decreed by government deeds.

(1) The contract will be considered completed and fully effective between the parties, after the acquisition of all the signatures and the repertory of the deed. 
- The contractor must attach a photocopy of the identity card.
