The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following ([link](#)). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Environmental Sciences, Informatics and Statistics at Università Ca' Foscari Venezia invites applications for fellowship in:

TITLE: Plus energy buildings and the impact of the user.

SSD: ING-IND/11

Tutor: Prof. Wilmer Pasut

Duration: 12 months

Abstract: The focus will be on the activities of the H2020 project CULTURAL-E– Climate and Cultural Based Solutions for Plus Energy Buildings (<https://www.cultural-e.eu/>), in particular on IEQ, user's perception, user's engagement in energy efficient control of residential homes, and the importance to involve the user in an energy efficient control of the building.

The research can be carried out in English. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.

Who can apply

Prospective candidates are expected to hold a master's degree in engineering or building physics. Also, other fields related to the proposed topic will be considered and evaluated as far as the candidate has experience with the research topic, or related fields, **or related areas** or equivalent foreign qualification or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

Selection procedure

The interview will take place **on Jan. 31, 2022 at 03.00 p.m. Italian time**. Based on the Prime Ministerial Decree of March 1, 2020 "Further implementing provisions of the Decree-Law of February 23, 2020, no. 6 containing urgent measures regarding the containment and management of the epidemiological emergency from COVID-19", it will be possible to carry out the competition tests only electronically. The list of candidates admitted to the interview, or any postponement will be announced on **Jan. 28, 2022** by notice that will be published on the website of this university ([link](#)) and on the web pages foreseen by current legislation.

This communication constitutes to all intents and purposes an official call and candidates will not receive any call or home communication. Therefore, candidates are required to present themselves, at the online interview, with a valid identification document, without prior notice, on the days and times indicated here. Any postponements will be made known on the day by means of a notice which will be published on the website of this university ([Research grants expired calls: Ca' Foscari University of Venice](#)) and on the web pages envisaged by current legislation.

The interview:

The interview questions will cover:

- work and study experiences
- expertise on the topics covered by the research
- Good knowledge of English

Information

The grant holder must express acceptance within 7 days from receiving the communication and must sign the relevant contract at the competent office. Considering the current travel restrictions on the whole national territory and the impossibility of accessing the structures, as a consequence of the epidemiological state of emergency from COVID-19, the grant holder must sign the relevant contract by affixing remote digital signature ([Qualified Electronic Signature | Agenzia per l'Italia Digitale \(agid.gov.it\)](#)). In the impossibility of acquiring the digital signature remotely, exceptionally, it will be possible to proceed with the acquisition of the signature by correspondence (1). These provisions remain valid until the emergency ends, decreed by government deeds.
