

Research fellowship on - Research and data analysis on early childhood educational services as part of the three-year agreement between Ca 'Foscari University, Istat and the Department for the Family- Università Ca' Foscari Venezia (Italian law 30 December 2010, n.240, art. 22)

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following link: <http://www.unive.it/data/12137/> The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Economics at Università Ca' Foscari Venezia invites applications for a fellowship in:

Title:

- **Research and data analysis on early childhood educational services as part of the three-year agreement between Ca 'Foscari University, Istat and the Department for the Family**
- **SSD: SECS-S/05**
- **scientific coordinator and tutor:** Prof. Stefano Campostrini
- **duration:** 30 months

abstract:

The researcher will participate in all the research and analysis phases provided for in the agreement, bringing his / her technical expertise in particular in the analysis of the data and in the drafting of the required reports.

In particular, he will be responsible for carrying out the annual sample surveys on childcare services provided for in the three-year agreement between the Ca' Foscari University, Istat and the Department for the Family, interacting with the Ca' Foscari and Istat research groups.

Together with the research team and in agreement with the scientific director, he / she will therefore have to take care of defining the questionnaires, collecting data, carrying out the analyses, presenting the findings in various ways and contributing to the research reports.

Who can apply

Prospective candidates are expected to hold a master's degree in statistics or economics or equivalent degree and a scientific-professional curriculum suitable for carrying out research activities.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

Favourite headlines

- Holding a PhD;
- the conclusion of a PhD course whilst pending the award of the title
- Previous experience in statistics applied to social research
- Data analysis skills
- Experience of at least 2 years of research on early childhood education services
- Knowledge of detection systems on educational processes and especially on early childhood
