The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following ([link](#)). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

**Description**

The Department of Environmental Sciences, Informatics and Statistics at Università Ca' Foscari Venezia invites applications for fellowship in:

**TITLE:** Analysing the evolution of news production and circulation on European digital platforms.

**SSD:** INF/01

**Tutor:** Prof. ssa Fabiana Zollo

**Duration:** 12 months

**Abstract:** The EUMEPLAT project aims at analyzing the role of media platforms in shaping European identity. The project will investigate the “platformization” process through a multidisciplinary analysis focused on three fields: news, video sharing, media representations. Advanced methods will be applied for data analysis, so as to provide guidelines for decision-makers (i.e., fake news prevention; best practices).

The research can be carried out in English. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia.

**Who can apply**

Prospective candidates are expected to hold a master's degree **MSc in Computer Science, Statistics, Economics, Computer Engineering, Physics, Mathematics** or related fields, or related areas or equivalent foreign qualification or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

**Duration of contract:** 12 months, approximately starting: **February 2023**

**Stipend:** The research fellowship amounts to **23.367,00 Euros per year**, including

taxes and social charges.

**Deadline for submission of applications: Dec 15th, 2022 at 12.00 noon.**
