Research fellowship on - *Territorial governance and social innovation: methods and practice. Research coordination and methodological support* - Università Ca' Foscari Venezia (Italian law 30 December 2010, n.240, art. 22)

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following link: <http://www.unive.it/data/12137/> The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of *Economics* at Università Ca' Foscari Venezia invites applications for a fellowship in:

- **Title:**

Territorial governance and social innovation: methods and practice. Research coordination and methodological support.

- **Academic Discipline or disciplines specifically identified by the call** SECS-S/05
- **scientific coordinator and tutor:** Prof. Stefano Campostrini
- **duration:** 12 months

abstract:

At the same time, the fellowship holder will have to deepen some methodological issues related to the project themes and help in the coordination of the various ongoing researches on the governance of local authorities, local and related welfare models carried out by the Department of Economics and the Governance & Social Innovation Center. One of the tasks will be to act as a bridge between the different research teams, particularly helping younger and less experienced social research staff. In particular, a contribution is expected on the following topics: internal areas and social territorial areas.

Who can apply

Prospective candidates are expected to hold a Master's degree in the subjects of the research, or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

Favourite headlines

- Holding a PhD;
- the conclusion of a PhD course whilst awaiting the award of the title
- At least ten years previous experience in applied research activities, preferably in collaboration or in Public Administration
- Fluent knowledge of Italian (to interact with different subjects)
- Knowledge of the functioning of regional and local institutions and relevant legislation
- Knowledge and use of official databases
- Knowledge of social research methods and tools
- Specialization diplomas and certificates of attendance of postgraduate courses with research topics related to the object of the grant, obtained both in Italy and abroad, the performance of documented research activities at public and private entities with contracts, scholarships or assignments both in Italy and abroad with research topics related to the object of the fellowship

Duration of contract: 12 months (approximately starting on February 2023).

Stipend: The research fellowship amounts to **Euro 32.427,17**.=per year, gross to the recipient, net of the expenses to be sustained by the Provider. The amount may be subject to adjustment in the event of variations in the law.

Deadline for submission of applications: by and no later than 2023.01.15, h. 12:00 noon – local time.

If the deadline is on Saturday or on holidays, the deadline is extended to the first working day thereafter.

WARNING! Please note that the University is closed for the Christmas festivities from 24th December 2022 to 8th January 2023. We strongly recommend that you DO NOT send applications for participation that must be received during the closing period indicated
