The Department of *Economics* at Università Ca' Foscari Venezia invites applications for a fellowships

- **Title:**

Spoke 7- Investments in ports, in hinterland corridors and in energy infrastructures: socio-economic and territorial impacts, with a special focus on coastal metropolitan areas

- **funding** – PNRR_PE9 Project Growing Resilient Inclusive and Sustainable (GRINS)
- **Duration of contract:** 18 months (approximately starting: January 2024).
- **SSD:** M-GGR/02
- **Stipend:** The research fellowship amounts to **Euro 21.618,11.=per year**, gross to the recipient, net of the expenses to be sustained by the Provider. The amount may be subject to adjustment in the event of variations in the law
- **scientific coordinators and tutor:** Prof. Stefano Soriani

abstract:

The research project considers main development and investment projects in port infrastructures and in hinterland corridors, with the aim to assess the most important socio-economic and territorial impacts, with a special focus on coastal metropolitan areas. Particular attention will be paid to investments in energy transition in port areas. The project deals with the national context, yet it will focus particularly on Venice, Genoa, Naples and Bari.

Interview Topics

The interview aims to assess the candidates' skills and expertise on the following subjects:

- specialized literature on port development, both from a socio-economic and territorial perspective.
- relationship between port activities and the organization of intermodal transport networks
- role of ports in the energy transition

English knowledge will be evaluated during the interview

Who can apply

Prospective candidates are expected to hold a master's degree in the subjects of the research, or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

Favourite headlines

- the Ph.D. degree;
- completion of attendance at a doctoral program while awaiting the award of the degree;
- research experience on the topics economics and geography of ports and transportation;
- specialization diplomas and certificates of attendance at postgraduate specialization courses, obtained both in Italy and abroad, the performance of documented research activities at public and private entities with contracts, scholarships or assignments both in Italy and abroad;
- other titles
