### Description

The Department of Humanities at Ca' Foscari University of Venice (Dipartimento di Studi Umanistici dell'Università Ca' Foscari Venezia) invites applications for a fellowship in: “**Ethnography of the knowledge and practices for the management of the tick-human-environment relationship in Slovenia**”, Academic discipline: M-DEA/01– Demology, ethnology and anthropology, duration 12 months, tutor Dr Deborah Nadal, within the project “A Multispecies Ethnography of Human-Animal-Environment Assemblages for Tick-Borne Disease Prevention in Italy and Slovenia”, acronym “MULTIBODI”, financed by Piano Nazionale di Ripresa e Resilienza (PNRR), Mission 4, Component 2, Investment 1.2 “Finanziamento di progetti presentati da giovani ricercatori” (CUP: H73C22001350001 – Project Code: MSCA\_0000030), researcher Dr. Deborah Nadal.

**Abstract:** This community-based participatory research project in northern Slovenia explores the knowledge, experiences, perplexities and expectations of local populations about the possibility of managing the coexistence with ticks through the integrated “One Health” approach. In collaboration with Dr. Nadal, the research fellow will conduct original ethnographic research in the Osrednjeslovenka region (and, in particular, north-west of Ljubljana). They will analyze the textual and visual materials collected to identify and systematize the knowledge, practices and perspectives related to the different ways of mitigating the risks represented by the presence of ticks in the territory. Finally, they will co-organize and conduct two community juries. Excellent knowledge of the Slovenian language and the ability to work in the field in a team and independently are required. In addition to preparing their research for publication, the research fellow will participate in the dissemination activities of the results of the MULTIBODI project.

The research may be carried out in English.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Ca' Foscari University of Venice.
