Abstract:

The general objective of the FORTIC project is to strengthen the role of the cultural heritage of the CB Adriatico by designing business models for fortifications. This will promote sustainable tourism through innovative digital solutions and new inclusive social models, ensuring the development of the territory in a manner appropriate to the local community. Achieving these objectives will ensure a more strategic, coordinated, and sustainable management of tourism in the common area, with particular attention to the role of fortified heritage in the development of sustainable cultural tourism.

The project manager will carry out the following tasks:

1. Coordinate actions between partners to ensure correct management of the project.
2. Identify and engage stakeholders.
3. Develop strategic lines for effective management of project activities.
4. Attend project meetings and conferences

Deadline for submission of applications: by and no later than 2024-09-05, h. 12:00 noon – local time.

WARNING: Please note that the University is closed for the summer period from 10th to 17th August 2024. We strongly recommend that you DO NOT send applications for participation that must be received during the closing period indicated.
