

Call for a Research fellowship on: *Spoke 10 Theoretical and data-driven study of the dynamic and mechanisms generating sub-population health-inequalities in longevity and healthy ageing* - Università Ca' Foscari Venezia (Italian law 30 December 2010, n.240, art. 22 and subsequent amendments and additions). PNRR Project no.: PE0000015 Title of the project: "AGE-IT" Subject: Università degli Studi di Firenze CUP: H73C22000900006. Call issued by Ca' Foscari University of Venice.

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following link: <http://www.unive.it/data/12137/> The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

***Title: Spoke 10 Theoretical and data-driven study of the dynamic and mechanisms generating sub-population health-inequalities in longevity and healthy ageing -***

- **funding** – PNRR\_PE8-AGE-IT- PE0000015-CUP: H73C22000900006
- **SSD:** STAT-03/B; **GSD:** 13/STAT-03
- **start of the programme:** The research programme envisages the start of the activity approximately in December 2024.
- **Duration:** 12 months
- **Stipend:** The research fellowship amounts to **Euro 25.941,74.=per year**, gross to the recipient, net of the expenses to be sustained by the Provider. The amount may be subject to adjustment in the event of variations in the law
- **scientific coordinators and tutors:** Prof. Stefano Campostrini

**abstract:**

The aims are to enhance the present policies and develop risk-based strategies to improve the health status and well-being of older adults in diverse populations, by developing statistical analyses and new modelling approaches to understand health, social, biological, and economic disparities related to ageing.

**Who can apply**

Prospective candidates are expected to hold a master's degree in the subjects of the research, or related disciplines.

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

## Favourite headlines

- Holding a PhD;
- the conclusion of a PhD course whilst awaiting the award of the title;
- research experience on the topics covered by the grant and in any case on statistical modelling applied to social problems
- specialization diplomas and certificates of attendance at postgraduate specialization courses, obtained both in Italy and abroad, the performance of documented research activities at public and private entities with contracts, scholarships or assignments both in Italy and abroad;
- knowledge of the Italian language at least at Level B2, in order to be able to interact with the research group;
- other titles.

**Deadline for submission of applications: by and no later than 2024-11-06, h. 12:00 noon – local time.**

## How to apply:

Candidates should submit:

1. The application form;
2. A motivation letter (max 1 page) along with their CV in European format, duly dated and signed, both to enclosed as a one single.pdf file. (<http://www.unive.it/pag/28830>)
3. A copy of a valid identity document (either Identity Card or Passport);
4. If available, Evaluation Summary Reports of Marie Skłodowska Curie Actions - Individual Fellowships/ ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) individual proposals having passed all the evaluation thresholds;
5. If available, Doctoral degree in the disciplinary scientific sector IUS/01;
6. Declaration on availability to held the interview in remote (<https://www.unive.it/pag/28830>) to be send via email at the following address: [simar@unive.it](mailto:simar@unive.it):
7. If available, Details of Marie Skłodowska Curie Actions - Individual Fellowships, ERC Starting Grants, FIRB (Italian Fund for basic research investments)/ SIR Scientific Young Independence Research funded projects;
8. All documents, qualifications and publications relevant for the selection procedure (please, see the notice <http://www.unive.it/data/28825/>).

All the schemes of the quoted documentation are available on the website <http://www.unive.it/pag/28830>.

## **Incomplete applications will be rejected**

## How to submit your application

Applications should be submitted by the online procedure, available on the notice webpage <http://www.unive.it/data/28825/>

**Or submit here:**

<https://apps.unive.it/domandeconcorso-en/accesso/dec-campostrinipnrr-21102024>

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of his/her application.

The candidate if necessary could access the procedures for updating any data and materials by the link provided by the e-mail, in any case any updates must be made no later than the deadline **2024-11.06, h. 12:00 noon – local time.**

If the deadline is on Saturday or on holidays, the deadline is extended to the first working day thereafter.

#### **Please note:**

- The candidate can contact the University for any support until 24 hours prior to the deadline.
- In case of an high number of applications and / or weight of the materials loaded by the candidates the system might become slower, Therefore it is suggested not to start the process close to the deadline;
- The University does not take on responsibility for wrong or late communication of addresses, nor for any communication problem not depending on the University.

#### **Interview Topics**

- statistical models applied to social phenomena, population ageing, inequalities.

During the interview, the knowledge of the ENGLISH language will be evaluated

#### **Evaluation**

Up to 100 points, specifically:

For qualifications, publications and possible tests, from 0 to 60;

For interview, from 0 to 40.

#### **Selection procedure**

*The selection will take into account the cross-cutting priorities of the PNRR in relation to generational, gender and territorial equal opportunities*

The interview will held in remote only. Further details on how to connect online will published on the web page alongside the convocation notice.

The interviews will take place telematically between **2024-11-14, from 10.00 AM.**

The short-list of the candidates admitted to the interview or any postponement, will be published on the University's webpage on **2024-11-12** (<http://www.unive.it/data/28899/>).

#### **Scientific products**

The research fellow, at the end of his/her activity must also provide the department with the following scientific products:

- A working paper on the topics of the research;
- Useful reports for project reporting

#### **Information and contacts**

Candidates may find further details about the application process and the research project in the
