Research fellowship on “Development of a support model for elderly care and remote areas” - Ca' Foscari University of Venice (Italian law 30 December 2010, n.240, art. 22 and subsequent amendments and additions)

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following [\(link\)](#) The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Molecular Sciences and Nanosystems at Ca' Foscari University of Venice invites applications for a fellowship titled “Development of a support model for elderly care and remote areas”, Cod. GSD: 12/GIUR09 Cod. SSD: GIUR09/A, lasting 24 months, project INTERREG ALPINE SPACE "TIGER - FosTering ehealth and social Innovations as Gamechangers in sEnior and Remote care" - principal investigator, and tutor Prof. Flavio Rizzolio – acronym, “SMN.TIGER_INTERREG_ALPINE_SPACE”, CODE: ASP0500472, CUP: H73C24001290002.

Abstract

The position is part of a project dedicated to innovations in the eHealth and social fields to address health and demographic challenges, offering remote access to medical consultations and monitoring, and facilitating home care for the elderly. The fellow will have to carry out the following activities: Support the coordinator in the project activities, in particular in relations with other partners Analysis of existing legal and administrative resources, assessing strengths and weaknesses of a model to help older people in the healthcare sector Creation of guidelines to ensure the continuity of the project with particular reference to Italian and European funding Furthermore, the fellow would involve key stakeholders, such as members of EUSALP AGI, establishing sustainability objectives and proposing actions to facilitate the replicability and durability of the model. Weekly reports on the activities carried out

Who can apply

Prospective candidates are expected to hold a **Master's degree (or equivalent) or equivalent qualification obtained abroad and a professional scientific curriculum suitable for carrying out research activities.**

Ca' Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar.

Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply.

The following qualifications are considered as evaluation criteria:

- a. holding a PhD;
- b. having completed the attendance of a PhD program, although not having yet obtained the PhD title;

- c. specialization diplomas and attendance certificates at post-graduate specialization courses, obtained both in Italy or abroad, documented research activity in public and private organizations with contracts, study grants or assignments both in Italy and abroad;
- d. research periods carried out abroad to carry out activities related to those covered by the call;
- e. qualifications obtained in the field of Law and Business.

Duration of contract: 24 months, approximately starting approximately in **January 2025**.

Stipend: The research fellowship amounts to **24.320,00 Euros** per year, including taxes and social charges.

Deadline for submission of applications: 29th November 2024 at 12.00 noon (Rome CET).

How to apply:

1. The application form,
2. A motivation letter (max 1 page) along with their CV in European format, duly dated and signed, both to enclosed as a one single.pdf file. ([link](#));
3. A copy of a valid identity document (either Identity Card or Passport);
4. (If available) Evaluation Summary Reports of Marie Skłodowska Curie Actions - Individual Fellowships/ ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) individual proposals having passed all the evaluation thresholds;
5. (If available) Details of Marie Skłodowska Curie Actions - Individual Fellowships, ERC Starting Grants, FIRB (Italian Fund for basic research investments)/ SIR Scientific Young Independence Research funded projects;
6. Declaration on availability to held the interview in remote ([Link](#)) to be send via email at the following address: ricerca.dsmn@unive.it,
7. All documents, qualifications, and publications relevant for the selection procedure (please, see the notice [link](#)).

All the schemes of the quoted documentation are available on the website ([link](#)).

Incomplete applications will be rejected.

How to submit your application

Applications should be submitted by the online procedure, available on:

<https://apps.unive.it/domandeconcorso-en/accesso/dsmn-tiger-24mesi>

Foreign citizens not yet in possession of the Italian Tax Code can use the following link <https://apps.unive.it/utills/cf/> to obtain a temporary one and be able to proceed with the request.

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of his/her application.

www.unive.it/dsmn

The candidate if necessary could access the procedures for updating any data and materials by the link provided by the e-mail, in any case any updates must be made no later than the deadline of **29th November 2024**.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline. Please note that the University is closed from the August 12th to 18th.

Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is suggested not to start the process close to the deadline.

NB: the University does not take on responsibility for wrong or late communication of addresses, nor for any communication problem not depending on the University.

Topics of the interview:

- Ability to analyze the Alpine community support model, identifying strengths, weaknesses and available resources, in order to develop targeted strategies and identify concrete actions to improve the sustainability of the model.
- Stakeholder Engagement and Management: Advanced skills in managing relationships with key stakeholders, to ensure their support and integration in the project, building a solid and collaborative network;
- Sustainability and Scalability Planning: Experience in setting measurable financial and operational objectives, and in defining concrete strategies and actions to ensure the transferability, replicability and continuity of the model in the long term;
- assessment of the Italian language for foreign candidates and/or assessment of knowledge of the foreign language English.

Evaluation

Up to 100 points, specifically for:

- qualifications, publications and possible tests, from 0 to 60;
- interview, from 0 to 40.

Selection procedure

The interview will be 16th December 2024 at 10:00 a.m.

by remote at the link:

meet.google.com/emr-sopr-pjf

The short-list of the candidates admitted to the interview and the related calendar, or any postponement, will be published on the University's webpage on 3rd December 2024 ([link](#)).
