Decision of the Department of Environmental Sciences, Informatics and Statistics
Rep. 418/2021
Prot. 22486/2021
31/03/2021

_____

1. The application form (http://www.unive.it/nqcontent.cfm?a_id=177416), duly dated and signed.
2. A CV in European format (https://www.unive.it/pag/10368/) duly dated and signed.
3. A photocopy of a valid identity document (e.g. Identity Card or Passport).
4. All documents, qualifications and publications relevant for the selection procedure.

How to submit your application
Hard copy of the application should be printed, signed and send to Patrizia Resente resente@unive.it

Selection procedure
The selection is made by assessment of the scientific-professional qualifications of the candidates, the *curriculum vitae et studiorum*.

The short list will be published on https://www.unive.it/data/17576/.

Information and contacts
Candidates may find further details about the application process and the research project in the official call published on https://www.unive.it/data/17576/.
For further information, please contact Andrea Critto, phone + 39 041 234 8975, email: critto@unive.it.
Evaluation Procedure and Commission.
A *Commission* summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.
Evaluation procedure. The Commission defines the general evaluation criteria. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call.

Awarding of the short research fellowship Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short research fellowship art. 6 and in the website https://www.unive.it/data/17576/. Exclusion is justified in detail in the selection reports which can be accessed in accordance with law 241/90.
The Director of the department at which the research programme will be conducted awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 7 days from receipt of the communication by signing the relative contract at the competent office of the Department which will establish the terms of and procedures for the collaboration and allocation of the grant.

Grant. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Ca' Foscari University of Venice. The tutor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research.
The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services.
The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff.
The rights for any patentable invention coming from Research Activities belong to the University or entities with which the University has signed (or will sign) specific agreements.
