

**Research scholarship on: *Management of waste in the supply chain sustainability trajectories* - Università Ca' Foscari Venezia (Italian law 30 December 2010, n.240)**

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following (<https://www.unive.it/data/28824/>). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

**For anything not specified in this Call, please refer to the Regulations, applicable legislation and the Regional Directive on the ESF funding in question and subsequent additions**

#### **The Director of the Department of Economics**

**HAVING REGARD TO** the Regional Management Decree no. 231 of 10/03/2020 and subsequent amendments and additions, which approves the research project with code 2120-0006-1463-2019, Titolo-*Progettare gli scarti della produzione tra sostenibilità e rivoluzione digitale,*" as part of the 2019 regional call for applications - Decree of the Regional Government no. 1463/2019 - "Innovazione e ricerca per un Veneto più competitivo" (Innovation and Research to make Veneto more Competitive) - POR ESF 2014-2020 - Ob. "Investments to encourage growth and employment"

#### **Description**

The Department of Economics at Università Ca' Foscari Venezia, on the basis of resolution no. 412/2021, Prot. 28612-VII/16 of 202.04.23. on the awarding of short-term research fellowships, hereby calls for applications for the following research grant:

#### ***Management of waste in the supply chain sustainability trajectories***

- **scientific coordinator and tutor:** Prof. Mario Volpe
- **SSD:** SECS P/02

#### **Abstract:**

The research activities are the following:

The Research Fellow will have to support the work of the team that conducts the supplementary survey on childcare services, interacting with Ca' Foscari and Istat researchers. He/she will have to supervise data collection, carry out analyzes and contribute to the research report

**Duration of the short-term research fellowship:** 2 months, indicatively starting from September 2021

#### **Amount:**

The research fellowship amounts to Euro 4.300,00=., exempt from IRPEF (personal income tax) and INPS (social security contributions). The amount awarded is understood to include any costs relating to the undertaking of the research envisaged by the project

The monthly amount shall only be approved and awarded for whole months completed, and amounts for months not completed shall not be awarded

**Deadline: July-22-2021, h. 12.00 noon, local time.**

As stated in the ESF Directive, Decree of the Regional Government no. 1463/2019, upon completing their research, fellows must provide the department with the following research output:

---

a **final report on the activities undertaken**, highlighting the results achieved with a research brief for a possible continuation of the project in the future.

Short-term research fellows will also be required to complete:

- a "weekly diary", recording their research activities;
- a prior calendar of activities

### **Who can apply? (University Regulation for short-term research fellowships, Art. 3)**

Applications are open to EU citizens and non-EU citizens who hold:

- a) Degree in Economics or related disciplines.
- b) Expertise in the following topics is also required:
  - Proven experience in managing training, teaching and research initiatives involving SMEs interpersonal skills
  - Expertise in technology and knowledge transfer
  - Competence in managing competitive improvement, innovation and networking projects for SMEs.

The requirements must be held by the deadline for this call for applications.

Candidates are admitted to the selection conditionally; they may be excluded from the call at any time should they fail to meet the predefined requirements, even after the selection process is complete, with just cause and notification sent to the person concerned

Candidates are admitted to the selection conditionally; they may be excluded from the call at any time should they fail to meet the predefined requirements, even after the selection process is complete, with just cause and notification sent to the person concerned

### **Incompatibility**

The grant may not be combined with:

- research grants awarded according to Law no. 240 of 30 December 2010, Art. 22 ("*assegno di ricerca*");
- scholarships awarded for any reason, except those awarded by national and foreign research institutes for research periods abroad as part of the specific activities stated in the programme of work carried out by the holder.

If the grant holder is also self-employed or an employee or contract worker, compatibility shall be certified by the Principal Investigator.

The awarding of the grant does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university.

### **How to apply**

Candidates should submit:

1. The application form (<http://www.unive.it/data/28900/>), duly dated and signed.
2. A CV in European format (<http://www.unive.it/data/28900/>), duly dated and signed.
3. A photocopy of a valid identity document (e.g. Identity Card or Passport).
4. All documents, qualifications and publications relevant for the selection procedure.

Hard copy of the application should be printed, signed and delivered to Department of Economics,

---

Università Ca' Foscari Venezia :

1) By *e-mail* to each of these addresses (including in the subject line Research fellowship on **Management of waste in the supply chain sustainability trajectories** and the name of the candidate):

[simar@unive.it](mailto:simar@unive.it);

[segreteria.economia@unive.it](mailto:segreteria.economia@unive.it)

[ricerca.economia@unive.it](mailto:ricerca.economia@unive.it)

[silvialo@unive.it](mailto:silvialo@unive.it)

[tonissi@unive.it](mailto:tonissi@unive.it)

2) by *registered mail with return receipt* (PEC) to [protocollo@pec.unive.it](mailto:protocollo@pec.unive.it) (including in the subject line Research fellowship on **Management of waste in the supply chain sustainability trajectories** and the name of the candidate);

### **Short Research Fellowship to non-EU citizens.**

If a non-EU citizen already living in Italy applies for a Research Fellowship, he must hold a residence permit valid up to the Deadline of the call. Otherwise, the Department undertakes to undergo the procedures for obtaining a residence permit for research activities.

### **Selection procedure**

The selection is made by assessment of the scientific-professional qualifications of the candidates, the *curriculum vitae et studiorum*, the scientific publications.

### **Information and contacts**

Candidates may find further details about the application process and the research project in the official call published on <https://www.unive.it/data/28824/>.

For further information please contact Segreteria Amministrativa del Dipartimento di Economia, phone number: 041-2349173; e-mail: [simar@unive.it](mailto:simar@unive.it)

### **Evaluation Procedure and Commission.**

A **Commission** summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

**Evaluation procedure.** The Commission defines the general evaluation criteria. Titles submitted by candidate must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, as specified by the call.

**Awarding of the short research fellowship** Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short research fellowship art. 6 and in the website <https://www.unive.it/data/28900/>. Exclusion is justified in detail in the selection reports which can be accessed in accordance with law 241/90.

The Director of the department at which the research programme will be conducted awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 7 days from receipt of the communication by signing the relative contract at the competent office of the Department of Economics, which will establish the terms of and procedures for the collaboration and allocation of the grant.

**Grant.** The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia. The tutor coordinates the activities of the Research Fellow and any other research activity within the same

---

program and provides the Fellow with all the information for carrying out the research.

The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services.

The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff.

The rights for any patentable invention coming from Research Activities belong to the University or entities with which the University has signed (or will sign) specific agreements.
