**The Director of Department of Economics**

referring to the call for application Rep.295/2023, Prot. 67778 del 03.03.2023, for the public selection of 6 Research scholarships **in the framework of the collaboration between the Department of Economics of Ca' Foscari University Venice and Toscana Promozione Turistica**

**Declares**

**Art. 1** - confirming the provisions contained in the call, the reopening of the deadline of the call for the public selection in:

**Data Analytics in Tourism Industry, with a focus on sustainable tourism**

**Art. 2** - the deadline for the submission of applications for participation is extended to

**April-5th-2023, h. 12.00 -noon -local time**

Applications should be submitted here:

<https://apps.unive.it/domandeconcorso-en/accesso/dec-6borsecamattitoscana-0603202>

**Art. 3** - The interview will take place telematically on **2023/04/07, from 10.00 AM, local time**

**Art. 4**– The short-list of the candidates admitted to the interview, or any postponement, will be published on the University's webpage on 2023/04/06 (<https://www.unive.it/data/12136/>)

Università

Venezia

### **Call for application for Six *Research Scholarships* (Italian law 30 December 2010, n.240)**

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following (<https://www.unive.it/data/28824/>). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

#### **Description**

The Department of Economics at Università Ca' Foscari Venezia invites applications for six scholarships

#### **Contest title: *SCHOLARSHIPS TOSCANA TOURISM***

- ***start of the programme:*** The research programme envisages the start of the activity approximately in April 2023

#### **Description**

-----

#### **PROFILE 1 - *Tourism, OTR and ICT***

- ***scientific coordinator and tutor:*** Prof. Nicola Camatti
- ***duration:*** 3 months, starting from April 2023
- ***SSD:*** SECS P/06;

#### ***abstract:***

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will be responsible for: 1) exploring the data lake of the Tourism Observatory of the Tuscany Region; 2) creating clusters and predictive analysis based on credit card transaction data.

**Stipend:** The research fellowship amounts to **2.500,00** Euros.

#### **Minimum Application Requirements**

- Bachelor's or Master's degree in computer science, economics or statistics/mathematics

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications.

---

## PROFILE 2 - Data Analytics in Tourism Industry, with a focus on sustainable tourism

- **scientific coordinator and tutor:** Prof.ssa Agar Brugiavini
- **duration:** 5 months, starting from April 2023
- **SSD:** SECS P/01;

### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will be responsible for: 1) exploring the data lake of the Tuscany Region OTR; 2) data analyzes aimed at studying the variations in tourist flows, online sentiment and the socio-economic impacts of tourism.

**Stipend:** The research fellowship amounts to **4.000,00** Euros.

### **Minimum Application Requirements**

- Bachelor's or Master's degree in computer science, economics or statistics/mathematics

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

---

## PROFILE 3 - Tourism observatories and communication 3.0

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 1 month, starting from April 2023
- **SSD:** SECS P/06;

### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will be responsible for developing and applying a communication strategy of the scientific results of the OTR and reports produced, to be implemented using social media and other channels.

**Stipend:** The research fellowship amounts to **1.000,00** Euros.

### **Minimum Application Requirements**

- Bachelor's degree in economics, political science or communication

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

-----

#### PROFILE 4 - Tourism, OTR and Environment

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 2 months, starting from April 2023
- **SSD:** SECS P/06;

##### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will have the task of exploring the data lake made available by the Tuscany Region, evaluating the spatial-temporal distribution of the data provided, and developing multivariate analysis to understand the correlation between tourism and environmental data.

**Stipend:** The research fellowship amounts to **2.000,00** Euros.

##### **Minimum Application Requirements**

- Master's degree in environmental engineering

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

-----

#### PROFILE 5 - OTR and cultural tourism

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 4 months, starting from April 2023
- **SSD:** SECS P/06;

PROFILE 6	

The candidate if necessary could access the procedures for updating any data and materials by the link, in any case any updates must be made no later than the deadline **2023-03-21, h. 12.00, noon, local time.**

### **Selection procedure**

The selection is made by assessment of the scientific-professional qualifications of the candidates, the *curriculum vitae et studiorum*, the scientific publications and the interview.

The interview will be held in remote only. Further details on how to connect online will be published alongside the convocation notice

The interviews will take place telematically on **2023/03/24, from 10.00 AM, local time.**

The short-list of the candidates admitted to the interview, or any postponement, will be published on the University's webpage on **2023/03/23** (<https://www.unive.it/data/12136/>).

### **Incompatibility**

The fellowships within this announcement may not be combined with:

- other scholarships for any reason conferred, with the exception of those granted by national or foreign institutions useful to integrate, with stays abroad, the research activity of the scholarship holder;
- the attendance of doctorate courses with scholarship and medical specialization courses, in Italy and abroad;
- research grants;
- subordinate work relationships.

Scholarship holders may carry out occasional work activities, subject to written communication to the scientific director and on condition that: a) this activity is declared by the director compatible with the exercise of the research activity covered by the scholarship; b) it does not involve a conflict of interest with the specific research activity carried out by the scholarship holder; c) it is not prejudicial to the university, in relation to the activities carried out. The awarding of the scholarship does not give rise to the constitution of any employment relationship, nor does it give rise to rights

regarding access to the roles of university personnel

### **Information and contacts**

For further information please contact Segreteria Amministrativa del Dipartimento di Economia, phone number: 041-2349173; e-mail: [simar@unive.it](mailto:simar@unive.it)

### **Evaluation Procedure and Commission.**

A **Commission** summoned by the Director of the Department/Center, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

**Evaluation procedure.** The Commission defines the general evaluation criteria. The interview and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call.

**Awarding of the short research fellowship** Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short research fellowship art. 6 and in the website <http://www.unive.it/data/28900/>. Exclusion is justified in detail in the selection reports which can be accessed in accordance with law 241/90.

The Director of the Department at which the research programme will be conducted awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 7 days from receipt of the communication by signing the relative contract at the competent office of the Department of Economics, which will establish the terms of and procedures for the collaboration and allocation of the grant.

**Grant.** The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia. The tutor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research.

The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services.

The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff.

The rights for any patentable invention coming from Research Activities belong to the University or entities with which the University has signed (or will sign) specific agreements.

### **The person responsible for administrative proceedings**

In accordance with Art. 5 of Law no. 241 dated 7 August 1990, as amended, the person responsible for the selection process (RPA) is Dott. Silvia Lovatti who can be reached at the Department of Economics, at the e-mail address [silvialo@unive.it](mailto:silvialo@unive.it) and telephone no. +39 04102349158

### **Final provisions**

For anything not specified in this call, see the University of Venice's current regulations regarding the awarding for research fellowships and the current legislation

Università  
Ca' Foscari  
Venezia

## **INFORMATION ON PERSONAL DATA PROCESSING**

### **pursuant to Article 13 of Regulation (EU) 2016/679**

The Ca' Foscari University of Venice, as part of its institutional aims and in fulfillment of the obligations set forth in art. 13 of the 2016/679 EU Regulation ("Regulation"), provides you with information regarding the processing of personal data that you have provided to the University for the purpose of carrying out the selection procedure you wish to participate in.

#### **1) THE DATA PROCESSOR**

The data processor is the Ca' Foscari University of Venice, with headquarters in Dorsoduro n. 3246, 30123 Venice (VE), in the person of the Rector Magnificent.

#### **2) DATA PROTECTION OFFICER**

The University has appointed the "Data Protection Officer", who can be contacted by writing to the e-mail address [dpo@unive.it](mailto:dpo@unive.it) or to the following address: Ca' Foscari University, Venice, Data Protection Manager, Dorsoduro n. 3246, 30123 Venice (VE).

#### **3) PERSONAL DATA CATEGORIES, PURPOSES AND LEGAL BASIS OF DATA PROCESSING**

The data processing in question involves the provision of personal data and data relating to previous study and professional experience.

Unless the selection procedure is for protected categories, it is not necessary to provide data of a sensitive nature (for example, data concerning health status, sexual orientation or political or trade union opinions); candidates are therefore requested not to provide such data, unless deemed necessary for optimal evaluation of the position selection procedure.

The processing of personal data is aimed solely at the completion of the selection procedure and will take place in a way and within the limits necessary to pursue the aforementioned purpose.

The legal basis for this treatment is represented by art. 6.1.e) of the Regulations ("execution of a task of public interest or connected to the exercise of public powers").

The personal data of the successful candidates will be communicated to Fondazione Università Ca' Foscari Venezia, as the funding body of the research grant. The CV of the aforementioned subjects will also be uploaded to the GAFSE database managed by the Veneto Region, which allows those with access credentials to access project presentations and enables them to manage and report on them.

The processing of personal data is based on the principles of correctness, lawfulness and transparency and the protection of the privacy and rights of the data subject, as well as the additional principles established by art. 5 of the Regulations.

#### **4) DATA PROCESSING MODALITIES**

The processing of personal data will be carried out by authorized parties (in compliance with the provisions of Article 29 of the Regulation), with the use of computerized procedures, adopting appropriate technical and organizational measures to protect them from unauthorized or illegal access, destruction, loss of integrity and confidentiality, even if accidental in nature.

#### **5) STORAGE TIME**

The data will be stored in accordance with the Regulations on the storage of administrative documentation.

#### **6) RECIPIENTS AND CATEGORIES OF RECIPIENTS OF PERSONAL DATA**

For the purposes set out above, in addition to specifically authorized employees and collaborators of the University, personal data may also be processed by individuals who execute outsourced activities on behalf of the Data Controller, in their capacity as External Data Processors.

The same data might be communicated to the public administrations directly interested in the legal-economic situation of the candidate hired.

There are no further communications to third parties except to persons to whom the data must be transmitted in fulfillment of legal obligations or, on request, to judicial and supervisory authorities.

The data of the hired candidate might be shared for the fulfillment of the obligations regarding transparency as per Legislative Decree n. 33/2013 and future modifications.

The results of any intermediate tests and final rankings will be published according to current legislation.

#### **7) DATA PROVISION**

The provision of such data is necessary to evaluate the requirements for participation and to verify academic qualifications. The failure to indicate these data might preclude this assessment, with a consequent exclusion from the procedure.

#### **8) USER RIGHTS AND HOW TO EXERCISE THEM**

As an interested party, you have the right to obtain from the University, in the cases provided for by the Regulations, access to personal data, rectification, integration, their cancellation or processing limitation or to object to the data processing itself (articles 15 and following of the Regulations). The request can be submitted, without any particular formal procedures, by contacting the Data Protection Officer directly at [dpo@unive.it](mailto:dpo@unive.it) or by sending a communication to the following address: Ca 'Foscari University Venice - Data Protection Officer, Dorsoduro 3246, 30123 Venice. Alternatively, you can contact the Data Controller, by writing a PEC (certified email) to [protocollo@pec.unive.it](mailto:protocollo@pec.unive.it).

Interested parties, who believe that the processing of their personal data is in violation of the provisions of the Regulations, also have the right to file a complaint to the Data Protection Guarantor, as provided for by art. 77 of the Regulations itself, or to take appropriate legal action (Article 79 of the Regulations).
