

**Call for application for five *Research Scholarships* (Italian law 30 December 2010 and subsequent amendments and additions)**

The present document in English is to be considered as a mere summary of the main provisions of the notice of competition which is available in Italian at the following (<https://www.unive.it/data/28824/>). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

**Description**

The Department of Economics at Università Ca' Foscari Venezia invites applications for six scholarships

**Contest title: *SCHOLARSHPS TOSCANA TOURISM***

- ***start of the programme:*** The research programme envisages the start of the activity approximately in March 2024

**Description**

-----

**PROFILE 1 - Tourism, OTR and ICT**

- ***scientific coordinator and tutor:*** Prof. Nicola Camatti
- ***duration:*** 5 months, starting from March 2024
- ***SSD:*** SECS P/06;

***abstract:***

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will be responsible for: 1) exploring the data lake of the Tourism Observatory of the Tuscany Region; 2) creating clusters and predictive analysis based on credit card transaction data.

**Stipend:** The research fellowship amounts to **4.500,00** Euros.

**Minimum Application Requirements**

- Bachelor's or Master's degree in computer science, economics or statistics/mathematics

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

-----

## PROFILE 2 - OTR and cultural tourism

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 6 months, starting from March 2024
- **SSD:** SECS P/06;

### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will have the task of drafting reports on the development of cultural tourism in the Tuscany Region as a tool for sustainable and competitive tourism.

**Stipend:** The research fellowship amounts to **4.000,00** Euros.

### **Minimum Application Requirements**

- Bachelor's Degree in Foreign Languages and Literature

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

-----

## PROFILE 3 - Tourism, OTR and Environment

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 4 months, starting from March 2024
- **SSD:** SECS P/06;

### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will have the task of exploring the data lake made available by the Tuscany Region, evaluating the spatial-temporal distribution of the data provided, and developing multivariate analysis to understand the correlation between tourism and environmental data.

**Stipend:** The research fellowship amounts to **2.500,00** Euros.

### **Minimum Application Requirements**

- Master's degree in environmental engineering

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

---

## PROFILE 4 - OTR development and reporting

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 6 months, starting from March 2024
- **SSD:** SECS P/06;

The selected researcher will be responsible for: 1) the exploration of the data lake of the Tuscany Region OTR; 2) reporting on sustainable tourism; 3) the development of an editorial plan (with the use of newsletters).

**Stipend:** The research fellowship amounts to **4.000,00** Euros.

### **Minimum Application Requirements**

- Master's Degree in Tourism Science and Management

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

---

## PROFILE 5 - Data Analytics in Tourism Industry, with a focus on sustainable tourism

- **scientific coordinator and tutor:** Prof. Nicola Camatti
- **duration:** 4 months, starting from March 2024
- **SSD:** SECS P/06;

### **abstract:**

The aim of the research project is to create and use tools for the analysis of regional and municipal tourist flows. The completion and application of these tools will support the activities of the Regional Tourism Observatory (OTR) of the Tuscany Region according to a scientific approach aimed at collecting and processing in an innovative way information and data useful for the planning, programming and implementation of sustainable tourism services/products. The following activities are planned throughout the whole project: data discovery, meetings with data suppliers and other stakeholders, data analysis of data from the Tuscany Region's data lake, coaching activities on the Observatory, and the generation of dashboards and reports. The selected researcher will be responsible for: 1) exploring the data lake of the Tuscany Region OTR; 2) data analyzes aimed at studying the variations in tourist flows, online sentiment and the socio-economic impacts of tourism.

**Stipend:** The research fellowship amounts to **4.500,00** Euros.

### **Minimum Application Requirements**

- Bachelor's or Master's degree in computer science, economics or statistics/mathematics

The requirements must be satisfied on the date of expiry of the deadline set by this call for applications

**Deadline for submission of applications: 2024-02-20, h. 12:00 noon – local time**

Candidates should submit:

1. A CV in European format (<http://www.unive.it/data/28900/>), duly dated and signed.
2. A photocopy of a valid identity document (e.g. Identity Card or Passport).
3. All documents, qualifications and publications relevant for the selection procedure.

**How to submit your application**

Applications should be submitted here:

PROFILE 5	

The candidate if necessary could access the procedures for updating any data and materials by the link, in any case any updates must be made no later than the deadline **2024-02-20, h. 12.00, noon, local time.**

**Selection procedure**

The selection is made by assessment of the scientific-professional qualifications of the candidates, the *curriculum vitae et studiorum*, the scientific publications

**Incompatibility**

The fellowships within this announcement may not be combined with:

- other scholarships for any reason conferred, with the exception of those granted by national or foreign institutions useful to integrate, with stays abroad, the research activity of the scholarship holder;
- the attendance of doctorate courses with scholarship and medical specialization courses, in Italy and abroad;
- research grants;
- subordinate work relationships.

Scholarship holders may carry out occasional work activities, subject to written communication to the scientific director and on condition that: a) this activity is declared by the director compatible with the exercise of the research activity covered by the scholarship; b) it does not involve a conflict of interest with the specific research activity carried out by the scholarship holder; c) it is not prejudicial to the university, in relation to the activities carried out. The awarding of the scholarship

does not give rise to the constitution of any employment relationship, nor does it give rise to rights regarding access to the roles of university personnel

### **Information and contacts**

For further information please contact Segreteria Amministrativa del Dipartimento di Economia, phone number: 041-2349173; e-mail: [simar@unive.it](mailto:simar@unive.it)

### **Evaluation Procedure and Commission.**

A **Commission** summoned by the Director of the Department/Center, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

**Evaluation procedure.** The Commission defines the general evaluation criteria. The interview and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call.

### **Awarding of the short research fellowship**

Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within 7 days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

The Director Decree approving the selection acts and designating the winner and the Report defining the evaluation criteria or any postponement will be notified through the publication, on the University's webpage from **2024/02/23** (<https://www.unive.it/data/12136/>)

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

### **Processing of personal data**

Personal data provided by the candidates in their applications for participation in the selection procedures, are processed pursuant to the legislative decree of June 30th 2003, no. 196 and subsequent amendments and additions and to EU Regulations 2016/679. Comprehensive information on personal data processing can be found [here](#)

### **Person in charge of the procedure**

Pursuant to the provisions of art. 5 of the law of August 7th 1990, no. 241 and subsequent amendments and additions, the person in charge of the administrative procedure for this selection is Ing. Silvia Lovatti who can be reached at the Department of Economics, at the e-mail address [silvialo@unive.it](mailto:silvialo@unive.it) and telephone no. +39 04102349158

### **Final provisions**

For anything not specified in this call, see the University of Venice's current regulations regarding the awarding for research fellowships and the current legislation
