SHORT RESEARCH FELLOWSHIP - “Hermeneutical paradigms in the study of corporate identity and image”

ABSTRACT

INTRODUCTION

The project is proposed as a development in the area of corporate governance and identity, deepening the analyses carried out on the subject of corporate identity and extending them to the field of corporate image. To this end, an innovative and multi-disciplinary analysis model will be defined, which, by grafting on management studies, will make use of the interpretative tools offered by artistic and literary criticism, Jungian analytical psychology, mythography and philosophy (in particular, the idealism of Benedetto Croce and the philosophical hermeneutics of Paul Ricoeur, passing through the humanism of Martin Heidegger). The project will also focus on analysing the context in which businesses operate; hence, on the past, present and future cultural models that influence and define the expectations and perceptions of stakeholders and organisations themselves. Special attention will be paid to the digital transition and new technologies.

The scientific responsible and tutor of the short research fellowship is **prof. Carlo Bagnoli**.

The research fellow must provide the department with the following research output:

- **two-monthly reports** on the activities (Tot. **6 reports**);
- **a final report** on the activities undertaken, highlighting the results achieved.

For anything not specified in this Call, please refer to the Regulations and applicable legislation.

Duration of the contract: 12 months, indicatively starting in May 2024.

The research fellowship amounts to euro € 19.300,00 (euro nineteen thousand three hundred//00), exempt from IRPEF (personal income tax) and INPS (social security contributions). The amount will be given through deferred bimonthly payments and it will be inclusive of any possible cost related to the research activity of the project.

The monthly amount shall only be approved and awarded for whole months completed; amounts for months not completed shall not be awarded.

Deadline for the submission of applications: not later than noon time (12:00 Rome CET) of April 03th 2024.
