---

The ADiSS Office - Projects Sector of Ca' Foscari University of Venice, having regard to the Decision of the Education and Student Services Area Director n. 429/2025 Prot. n. 49064/2025 establishing the research programmes for awarding of the short fellowships in “**Development of a web and immersive interface for an installation at EXPO 2025**” lasting **3 months**.

The expected starting date is indicatively from **March 2025**.

The research fellowship is awarded for the purpose of collaboration with the following research programme - **abstract**:

*The chosen candidate will be required to develop an interface that communicates with a semi-automated virtual 3D fresco reconstruction system and allows visualization and interaction with 3D models of the fragments. The interface should be usable either via a web browser or through an immersive device (e.g., Meta Quest). There is total freedom of implementation subject to the portability of the solution on the two devices indicated. The work done will be used for an installation to be presented at EXPO 2025 (Osaka).*

*The fellow's activity will be supervised through regular meetings (in-person or online) with the supervisor and his research team. The results of the activity will be provided in the form of software, related documentation and tutorials/seminars to the research team.*

**The research fellowship amounts to Euro 6.000,00**, gross percipient.

**Deadline: February 21, 2025.** In case the deadline is on Saturdays, Sundays or on holidays it is extended to the first working day thereafter.

#### Rules of eligibility – Beneficiaries

Citizens belonging to European Union member states and non-community citizens in possession of the following qualifications may take part in the selection:

- degree in computer science (or equivalent);

- in case the candidate does not possess the qualifications specified above, he/she must demonstrate proven experience in web and visor interface development.

Applicants must hold all the requisites within the call deadline. The qualifications will be evaluated by a Commission that examines the eligibility and qualifications of the candidates and makes a merit rank of them.

### **Skills required**

- Specialized professional experience on the research topic.

### **Any other evaluable qualification**

- Participation in courses/masters or certifications in interface and user interface development;
- possible portfolio of work.

### **Incompatibility**

The short-term research fellowship may not overlap with:

- a) other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- b) attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- c) research grants "assegni di ricerca"
- d) subordinate employment relationships.

Scholarship holders can carry out occasional work activities, upon written communication to the scientific manager and on the condition that:

- this activity is declared by the person in charge to be compatible with the pursuit of the research activity referred to in the scholarship;
- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university

### **How to apply**

Candidates should submit:

1. The application form <http://www.unive.it/data/28900/>;

3. A CV in European format, duly dated and signed.
4. A copy of a valid identity document (e.g. Identity Card or Passport).
5. All documents, qualifications and publications relevant for the selection procedure.

### **How to submit your application**

Applications, together with all the required documentation, have to be submitted exclusively online at the following webpage:

<https://apps.unive.it/domandeconcorso-en/accesso/progettomika21022025osaka2025>

not later than **noon time (12:00 Rome CET) February 21, 2025**.

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of their application. The candidate, if necessary, could access the procedures for updating any data and materials through the link and submission number provided in the e-mail until the call deadline expires.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline. For further information please contact the email address [international.cooperation@unive.it](mailto:international.cooperation@unive.it).

Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is suggested not to start the process close to the deadline.

Incomplete applications, those without the required data and the compulsory attachments will not be taken into consideration. Furthermore, the applications which, for any reason, reach this University beyond the

deadline indicated above cannot be accepted.

The declarations made in the application shall be considered issued in accordance with the DPR no. 445/2000 and subsequent amendments, by candidates entitled to use the simplified administrative certifications permitted by the above decree.

### **Selection and Evaluation Procedure**

The selection of applications is carried out by an examining board, appointed in accordance with the University Regulations for the activation of grants for research activities art. 7, respecting, where possible, gender balance, on the basis of qualifications and interview. The list of candidates admitted to the interview will be announced on the page of the University website at the link from February 21, 2025.

Foreign or Italian applicants residing abroad may request to take the interview electronically.

The Examining Board has a total of 100 points for evaluating the applications based on the qualifications and the interview, is called upon to determine, on the basis of the scores awarded, a final merit list, and identifies the winner or winner. In case of a tie, the youngest person in age shall be designated.

The ranking list will be used according to the order in which it is formulated, and in case of renunciation, or non-acceptance within the terms communicated by the structure by the person who won the selection or early termination of the research activity collaboration, the scholarship will be awarded to the person present in the next position in the final merit list, according to the provisions of the University Regulations for the activation of scholarships for research activities (art. 8). The Examining Board will forward the minutes of the competition operations to the Head of the Teaching and Student Services Area who, having verified the legitimacy of the competition acts, will proceed with its own measure to approve them and award the scholarship.

### **Awarding of the short research fellowship**

Having received the selection documents, and at the outcome of the checks, the Education and Student Services Area Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

Publication of the results of all the selection phases shall be published in the online University notice board, on the University website (<https://www.unive.it/data/28824/>).

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and
