

**Call for n. 1 Short Research Fellowship - Ca' Foscari University of Venice– Temporary Centre
“Project Ecosistema dell’Innovazione”**

HAVING REGARD TO	the Article 18, paragraph 5, letter f) of Law No. 240 of December 30, 2010, and subsequent amendments and integrations;
HAVING REGARD TO	the Article 21 quinquies of Law No. 241 of August 7, 1990, and subsequent amendments and integrations;
HAVING REGARD TO	Article 1 bis, paragraph 2, of Decree-Law No. 45 of April 7, 2025, as amended during conversion by Law No. 79 of June 5, 2025, which came into force on June 7, 2025, and which, in Article 4, paragraph 3, of Law No. 210 of July 3, 1998, abolished the favorable tax regime for short-term research fellowships post-graduation, establishing the application of IRPEF and IRAP taxes on such short-term research fellowships;
RECALLED	the Regulation for the establishment of short-term research fellowships for post-graduate activities pursuant to Article 18 of Law No. 240 of December 30, 2010, issued with Rectoral Decree No. 300/2014 of April 14, 2014, and subsequent amendments and integrations;
WHEREAS	the tax treatment of short-term research fellowships is subject to the legislation in force at the time of granting. Even if not expressly referred to in this notice, the applicable tax regime will be that provided for by current legislation pro tempore

The present document in English is to be considered as a mere translation of the provisions of the call which is available in Italian at the following [link](#). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

The Temporary Centre “Project Ecosistema dell’Innovazione” of Ca' Foscari University of Venice, having regard to the Decision of the Coordinator of the Temporary Centre “Project Ecosistema dell’Innovazione” Repertorio n.202/2025 Prot. n. 190957/2025 del 15/07/2025 establishing the research programmes for awarding of the short-term research fellowships in “**Monitoring of a marine aquaponic system**” lasting 4 months, with the possibility of renewal within the limits of art. 4 of the Regulations for awarding of University short-term research fellowships. The expected starting date is indicatively from **August 2025**.

The short-term research fellowship is awarded for the purpose of collaboration with the following research programme of the Temporary Centre “Ecosistema dell’Innovazione” - **abstract**:

The successful candidate will carry out the monitoring of the marine aquaponic system located at the Scientific Campus of Ca' Foscari University of Venice. The system co-produces seabream and alofites, e.g. samphire. The monitoring will include the monthly sampling of fish and plant weight, the detection of faults in the automatic

probes for the monitoring of Dissolved Oxygen, water temperature, salinity and pH, the weekly monitoring of TAN, nitrate and orthophosphate concentrations using photospectrometry. The data will be used for developing a model for the non-invasive monitoring of plant growth, based on image processing, in collaboration with the team of University of Verona involved in the iNEST project, Spoke 7, RT2.

The amount of the short-term research fellowship is equal to Euro 6.452,00 gross percipient and will be subject to taxation according to current regulations. It will be paid in bimonthly instalments after certification of the regular performance of the activity.

Deadline: **Thursday, July 31st, 2025, 12:00 p.m.**

In case the deadline is on Saturdays, Sundays or on holidays it is extended to the first working day thereafter.

Rules of eligibility – Beneficiaries

Citizens belonging to European Union member states and non-community citizens in possession of the following qualifications may take part in the selection:

- a) People with *Master in Environmental Sciences, LM75) or equivalent Master degree awarded abroad* and an adequate scientific and professional CV are eligible.

Applicants must hold all the requisites within the call deadline. The qualifications will be evaluated by a Commission that examines the eligibility and qualifications of the candidates and makes a merit rank of them.

Skills required

- Previous research or working contracts pertinent to the research thematic
- Ability to monitor the biometric parameters of fish species and the growth of allophytes;
- Ability to use instrumentation for online monitoring of the main water quality parameters, temperature, dissolved oxygen concentration, salinity, pH);
- Capacity of using a spectrophotometer for determining other water quality variables, e.g. TAN (Total Ammonia Nitrogen), Alkalinity.

Incompatibility

The short-term research fellowship may not overlap with:

- a) other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- b) attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- c) research grants “assegni di ricerca”

Short-term Research Fellowship holders may carry out self-employed work or occasional or permanent collaborations, as long as this

Spoke Leader

Spoke Leader

is coherent with the ongoing research, upon approval and on the condition that:

- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

Subordinate employment contracts holders, in addition to obtaining permission by the university, must provide the authorization of their employer.

In the specific case that the subordinate employment contract started prior to the awarding of the fellowship, compatibility with the existing employment will have to be assessed; if the assessment yields a negative result, the Short-term Research Fellowship will not be awarded; in the case of a positive result, the successful candidate will have to provide the authorization of his/her employer within 15 days.

In the event that the subordinate employment contract will start once the fellowship is ongoing, the successful applicant is required to notify this change at least 30 days before the start of the employment contract for an assessment of compatibility; if the assessment is negative, the fellowship will cease by the start of the employment contract; in the event of a positive outcome, the successful applicant must provide the authorization of his/her employer within 15 days.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university

How to apply

Candidates should submit:

1. The application form
2. Applicants must declare in the application, under their own responsibility:
 - educational qualification held;
 - the possession of a residence permit valid at the deadline of the call for applications, in case he/she is a non-European citizen residing in Italy;
 - that they understand that the short-term research fellowship is not compatible with the positions referred to in Art. 12 of the present Regulations and current legislation;
 - to be medically fit to discharge his/her duties for the fellowship;
 - not to have received measures restricting personal freedom at the time of submitting the application;
 - not to have a degree of kinship or affinity, up to and including the fourth degree, with any professor belonging to the department or facility issuing the call or with the Rector, the General Manager or a member of the University Board of Directors and that they are aware of the provisions of the Law no 240/2010, Art. 18, para. 1, letter b);
 - any benefit under L. 104/92.
3. A CV in European format (<https://www.unive.it/pag/10368/>), duly dated and signed.
4. A copy of a valid identity document (e.g. Identity Card or Passport).

5. All documents, qualifications and publications relevant for the selection procedure.

**How to
submit your
application**

Applications, together with all the required documentation, have to be submitted exclusively online at the following webpage:

<https://apps.unive.it/domandeconcorso-en/accesso/ine31072025sistemaacquaponico>

not later than **noon time (12:00 Rome CET) Thursday, July 31st, 2025**

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of their application. The candidate, if necessary, could access the procedures for updating any data and materials through the link and submission number provided in the e-mail until the call deadline expires.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline. For further information please contact the email address ine3_pnrr@unive.it.

Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is suggested not to start the process close to the deadline.

Incomplete applications, those without the required data and the compulsory attachments will not be taken into consideration. Furthermore, the applications which, for any reason, reach this University beyond the deadline indicated above cannot be accepted.

The declarations made in the application shall be considered issued in accordance with the DPR no. 445/2000 and subsequent amendments, by candidates entitled to use the simplified administrative certifications permitted by the above decree.

Selection and Evaluation Procedure

The selection is made by assessment of the scientific-professional qualifications, by a Selection Committee appointed by order of the Coordinator of Temporary Centre "Project Ecosistema dell'Innovazione" taking into account, whereas possible, gender balance.

The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, as specified by the call. In the event of two or more candidates obtaining the same score at the end of the selection, the younger candidate will be preferred.

procedure
reports and
makes them
public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

Publication of the results of all the selection phases shall be published in the online University notice board and on the University website (<https://www.unive.it/data/28824/>).

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

Processing of personal data

Personal data provided by the candidates in their applications for participation in the selection procedures, are processed pursuant to the legislative decree of June 30th 2003, no. 196 and subsequent amendments and additions to EU Regulations 2016/679. Comprehensive information on personal data processing can be found [here](#).

Person in charge of the procedure

Pursuant to the provisions of art. 5 of the law of August 7th 1990, no. 241 and subsequent amendments and additions, the person in charge of the administrative procedure for this selection is Doctor Dario Pellizzon, Administrative Director of the Temporary Centre "Project Ecosistema dell'Innovazione".

Final provisions

For anything not specified in this call, see the University current regulations regarding the awarding for research fellowships and the current legislation.
