Cost of Living at Coimbra	Around 600€/month (indicative amount)

Special service - Support

Since initial contacts with foreign students are usually made by e-mail, the International Relations Office (IRO) tries to offer the best support to students who intend on coming to study in our Institute. To make things easier, we are counting on the help of ESN Student Association (esncoimbra@gmail.com). Together with IRO, foreign students are supported at ISEC and in Coimbra day life needs.

International Affairs

Instituto Politécnico de Coimbra
