<b>Information for accepted students</b>															
<b>Residence permit</b>	<p>Students who are non-EU nationals need to apply for a Residence permit according to the instructions provided by Finnish Immigration Service <a href="http://migri.fi/en/studying-in-finland">http://migri.fi/en/studying-in-finland</a> . Information regarding applying for a Residence permit is also available at the closest Consulate of Finland.</p> <p>University of Helsinki recommends that students submit their application electronically, because it makes the application process faster. Students are advised to apply immediately after receiving their Acceptance Letter from the University of Helsinki.</p> <p>Even if the student has submitted the Residence permit application electronically, he/she needs to visit the Finnish consulate in person to verify his/her identity and to present the original copies of any supplements needed for the application. Because of the above, students should apply for a Residence permit immediately after receiving acceptance information from the Univ. of Helsinki.</p>														

	Please note that cost for the online residence permit is <b>300 euros</b> (subject to change)
<b>Health insurance</b>	Students who are non-EU nationals need to seek comprehensive health insurance prior to applying for a Residence permit. For more, please see <a href="http://migri.fi/en/insurance">http://migri.fi/en/insurance</a>
<b>Student union membership</b>	Exchange students are strongly recommended to pay the Student Union Membership Fee for Exchange Students (€100 for academic year and ca €52 for semester, subject to change). Student Union membership includes benefits for students, for example basic health care, etc.). Please see: <a href="https://hyy.helsinki.fi/en/students/membership">https://hyy.helsinki.fi/en/students/membership</a>
<b>Student health care</b>	Exchange students who join the Student Union can use the services of Finnish Student Health Service, <a href="http://www.yths.fi/en/internationalstudents">http://www.yths.fi/en/internationalstudents</a> , which is open Mon-Fri. (N.B. There may be changes related to the Student Health Care Services in the near future).
<b>Cost of living</b>	<a href="https://guide.student.helsinki.fi/en/article/instructions-incoming-exchange-students">https://guide.student.helsinki.fi/en/article/instructions-incoming-exchange-students</a>
<b>Course enrolment</b>	Students need to have their University of Helsinki computer user ID to register for courses in the WebOodi system, <a href="http://www.helsinki.fi/weboodi">http://www.helsinki.fi/weboodi</a> . Students receive the computer user ID when they arrive in Finland. Course registration happens after arrival. After course information for the following academic year is published, there may be some changes, so the Learning agreement is only a preliminary plan. Students are advised to check the list of courses offered during their exchange year again before they arrive.
<b>Grading system</b>	The University of Helsinki uses a six-level grading scale from 0 to 5. 5 = excellent or A 4 = very good or B 3 = good or C 2 = satisfactory or D 1 = passable or E 0 = fail or F or FX In addition to applying this grading scale, a pass/fail grade may be used when grading certain courses, e.g. ones containing practical training or practical skills. Please note it is not possible to receive a numeric grade for these courses.
<b>Transcripts of records</b>	Students can get one official transcript per semester free of charge from the Student Services, see <a href="https://guide.student.helsinki.fi/en/article/order-transcript-studies">https://guide.student.helsinki.fi/en/article/order-transcript-studies</a>  <b>Students are responsible for ordering their official transcript, it is not automatically sent to the partner university.</b> If your university accepts an electronically signed official transcript as a pdf, students can order one from Weboodi student register.
