LANGUAGE REQUIREMENTS

The Université libre de Bruxelles is a French-speaking university. A vast majority of courses are taught in **French**. It is thus highly recommended that exchange students coming to the ULB acquire a B1 level in French prior to their arrival even if our Faculty does not require a DALF/DELF or any official certificate.

LANGUAGE COURSES

Students are being given the opportunity to improve their knowledge of French thanks to free French language courses. These courses are aimed at students who already have some good basic knowledge of French. More details on: <http://philoscsoc.ulb.be/en/students-mobility/incoming-students/languages>

PROGRAM

Courses

Exchange student courses in the Faculty of Philosophy and social Sciences Course descriptions: <http://philoscsoc.ulb.be/en/students-mobility/incoming-students/courses-and-exams>

Exchange Students are requested to **register to 1 course at least**. They are authorized to select courses from the other majors, but **have to take at least 60% of their courses in the major he/she belongs to**. The exact number of courses or total ECTS credits has to be determined by the home institution. Please note that one course is worth 5 ECTS credits. **Bachelor students are authorized to take maximum 2 courses in master programme.**

Students will have the opportunity to attend courses during \pm 3 weeks before submitting their final courses registration form.

During the exchange of the student, the ULB academic coordinator provides help regarding whole question about courses, building the programme, content of courses... the Student Mobility Office will provide contact details of the ULB academic coordinator of her/his major at ULB.

Exams

- Exchange students will take their exams in the same conditions as regular students.
- Exchange students are NOT authorized to organize their exams individually with their professors.
- All students are expected to take their exams during the official exams periods:
 - ✓ January (exams for the 1st term courses).
 - ✓ May –June (exams for the academic year and 2nd term courses).
 - ✓ Mid-August – beginning of September (re-sit exams for the 1st and 2nd term courses).

Should your student want to pass re-sit exams, he/she must come back to Brussels!

Results

The official transcripts of records are sent to the home institution together with a copy for the student, firstly by email, then by post in the course of February for the 1st term exchange students, and in the course of July for the 2nd term and academic year exchange students.

HEALTH AND MEDICAL INSURANCE

Students will be required to pay **12€** online via MonULB for their compulsory insurance, which will cover them on the campus and on the way to/from the campus. But they may want to complement this with another insurance covering them outside “working hours” and for their other activities. Your students may either want to take insurance from home, or register here when they arrive.

Students will receive their student card only when the 12 euros have been paid!

ACCOMMODATION

Our university unfortunately does not provide student housing to exchange students. Students may look for independent, off-campus housing. We recommend all the students to find a student room before their arrival in Brussels.
