Why study at UEL?
Studying abroad at the University of East London is the perfect choice for the curious student, ready to explore the world and to try something a little bit different.

International Focus
We are proudly international at UEL, with 19,000 students from over 120 different countries and every conceivable background. Join us, and be a part of something special - a truly inclusive and international community. Broaden your international horizons by living in Britain’s capital.

Academic Benefits
UEL is a new university, young and eager and energised. We have a team of inspiring academics, world-leading researchers and top-class support staff, dedicated to your experience here. Students here get more than a degree – UEL students ‘learn by doing,’ taking part in projects grounded in the principle of a real-world setting.

Location
We are set in the East of England’s capital: London. Dynamic, vibrant, diverse and majestic, this is a city that’s racing into the future but anchored in its past, where historic architecture like Buckingham Palace and the Houses of Parliament sit alongside Europe’s tallest building The Shard, and the glossy skyscrapers of Canary Wharf. It is home to the home of football Wembley Stadium and the iconic Olympic Park, as well as the markets of Camden and Shoreditch; this city has it all.

Accommodation
- On-Campus Halls of residence
  - Single occupancy rooms with en-suite bathroom
  - Room furnished with bed, wardrobe, desk and chair
  - Each flat is designed for three to seven students, with a shared kitchen/social area.

- Students are welcome to explore the option of private rental accommodation in the area

Cost of Living
- The following provides an estimated table of costs for a typical undergraduate at University of East London per term:
  - Accommodation: £3160-£4040 (dependant on room choice)
  - Food & Meals: £800
  - Public Transport: £200
  - Leisure: £200
  - Total: £4340-£5240

You will need to continue to pay your normal tuition fees to your home university
