Words cannot express my feelings for Erasmus experience at MU. I met the greatest people on Earth, had the best parties ever, studied with excellent teachers.

My Erasmus experience at MU and Brno was unforgettable. It was great to study in another country, gain new knowledge, see the differences between my country, university and MU. The stay in Brno was amazing - it is a student city with great night life, cheap food and warm people.

My exchange life at Masaryk University gave me an excellent and best memory in my student life. MU brings together people of different cultural backgrounds; provides us indispensable knowledge and global mindsets. Thanks to the international atmosphere and qualified professors who are experts in their fields, I have many unforgettable moments and unique experiences that gave an added-value to my professional life.

Erasmus at MU started as a good experience. In the end the MU’s soul stays in your heart. I was never alone, I met wonderful people. I am thankful for this amazing experience. If I had an opportunity to do the same, I would change nothing.
