Accomodation

There is no on-campus accomodation at ISEG, but students may find private accomodation either in private student’s residences, studios, rooms with a family or shared flats in central Lisbon.

Entry Procedures/Visa

To live in Portugal all students must have a travel document, such as a valid passport or a national ID card. Nationals of non-EEA countries must apply for a Study Visa.

This is a special permit for foreign students coming to Portugal (unless the country and Portugal have an agreement which provides exemption from visas). The Visa has to be obtained from the Portuguese diplomatic representative of the home country. This document may be granted on various entry bases.
