NOMINATIONS AND APPLICATIONS

Some of you may have an agreement with several faculties: procedure and deadlines may differ slightly.

1. IDENTIFY THE HOST FACULTY

- For the mobilities within the framework of the ERASMUS+ program or a bilateral agreement with one specific faculty: select the relevant faculty.

- For the mobilities within the framework of the UGA bilateral agreement or an exchange programme such as TASSEP, ORA and PEE/BCI or the AURORA Universities Network: identify a host faculty. To help you, you can consult disciplines and teaching levels of all faculties and the course catalogue.

The students will have to follow the majority of their courses in a host faculty.

2. STUDENT'S NOMINATIONS

Only nominated students through the portal will be accepted. If you have already informed us about your nominations by email, we kindly ask you to renew your request on the online form.

If there is any change, please inform the host faculty.

</tr>
</tbody>
</table>

Warning: We do not accept nominations sent after the deadlines.

3. APPLICATION PROCESS

The host faculty will send the online application form directly to the nominated student. There is no need to send documents by email or mail.

The required documents are:
- all academic transcript of records
- curriculum vitae
- any language test or a certificate of student’s ability to follow courses in the language of instruction
- certificate of motivation
- learning agreement filled in according to the rules defined by the host faculty, signed by the student and the sending university

4. DECISION

The host faculty will send the notification of the decision on the following dates:

<table>
<thead>
<tr>
<th>SEMESTER</th>
<th>NOTIFICATION OF DECISION</th>

</thead>
<tbody>
<tr>
<td>1st semester and full year</td>
<td>Until June 15th</td>

The International Students & Scholars Office (ISSO) helps students prepare for their stay, assists them upon arrival and throughout their mobility, in Grenoble and Valence: accommodation, immigration policies, practical matters, insurances, etc. This assistance is provided through a dedicated website (international.univ-grenoble-alpes.fr), downloadable welcome guides, and a welcome center located on-campus, opened all-year round (except during summer administrative closure, from August 1st to August 24th, and winter holidays).

### HOUSING

Students can choose between two main kinds of accommodation: student halls of residence (public or private) and the private rental sector.

Each student coming in the context of an exchange program automatically receives credentials by email, allowing them to access our accommodation online platform (please remind them to check their SPAM folder). Students who complete the application process by the deadlines will receive an offer of accommodation by the International Students & Scholars Office (ISSO).

**Visa application by Campus France:** only applies to students who follow a degree program.
