Visa	If you are non-European, you may need a visa to enter Belgian territory. For visa and related questions, we advise you to contact the Belgian embassy or Belgian consulate in your country or neighbor country. The information concerning visa applications for Belgium is also available via the website of the Foreigners Department of the FPS Home Affairs which is the competent Belgian authority for access to the territory and for stay, residence and removal of foreigners in Belgium. Once you have arrived in Belgium, details of your country's embassy or consulate may also be useful. Obtaining the correct and valid residence is the responsibility of the student
