Before Arrival

If you are interested in participating in the Erasmus+ programme and spending an Erasmus+ period in the University of West Attica (UNIWA), as an Exchange Erasmus+ student, at first you must contact the international office of your home University.

A valid bilateral agreement is always required between the partners Universities (Sending and Receiving Institution), in the relevant subject area.

The applicant must first be nominated by his home university.

Afterward, the applicant will receive specific and explicit instructions from the University of West Attica (UNIWA), how to download and fill in the application documents.

As soon as the exchange is approved by both Universities, the Home University and the Host University (University of West Attica), the exchange is officially confirmed.
