**Course registration** Students will need to register online for courses until one week before courses start. Our website explains the procedure.

#### Visa and housing

Once accepted, the International Service Desk (ISD) will start the procedure for the visa application and the student can book housing. The Exchange Office is not involved in the visa application process. In order to obtain a visa/residence permit, the Immigration and Naturalization Service will check whether students have sufficient financial resources to support themselves during their stay in the Netherlands. To give you an estimation: the Immigration and Naturalization Service consider about € 900 per month (which is about € 5000 for a semester) sufficient. Students need to pay the entire amount of € 5000 in advance to get the visa/residence permit. More information:  
<https://www.rug.nl/feb/education/exchange/incoming/practical-information/visa>

#### Housing deadline

Fall/1st sem.	1 June
Spring/2nd sem.	1 November

#### Housing

The University of Groningen is not a campus university and therefore does not offer campus accommodation. However, through third parties there are many (student)houses and apartments available. We advise students to book accommodation with an organization that is specialized in (international) student housing: SSH. Our website provides more information: [www.rug.nl/feb/exchange](http://www.rug.nl/feb/exchange)

#### Digital Office

We aim to work efficiently and in an environmentally friendly way. In order to do so we keep digital files and also send out documents by email. Consequently, we would like to receive the documents you send out for our students by email, too. It also means that we will send out acceptance letters and transcripts as PDF files, by email. Some partners request the 'original transcripts', which usually means a request for a 'paper copy'. Please note that the hardcopy document we send you would be no different from the PDF document. Thus, where possible, please use the PDF document for your official records and help us meet our goal of working in a more environmentally friendly manner.
