PROGRAMMES AND COURSES	
Types of programmes	You can study at Hull for a semester or a full academic year (two semesters), on one of the following programmes. Erasmus+ running until 31 May 2023 For EU students whose university is a partner of the Erasmus scheme. Exchange For non-EU students studying at a university that has an exchange agreement with us. Study Abroad (fee-paying short term programmes (single trimester or 2 trimesters only)) For students at a university that is not a partner of the Erasmus scheme and does not have an exchange agreement with the University of Hull.
Courses	http://www.hull.ac.uk/Study/All-Courses.aspx Modules on offer to exchange students in 20-21 can be found at For past full year and Trimester 1 courses: https://universityofhull.box.com/s/ae5nmwp78y5saajx36teyh4pk8mzdf2 For Trimester 2 courses https://universityofhull.box.com/s/mpvulz3yz0uijdt68rybce19nek0d8eh These modules are an example of what was on offer and are subject to change and constraints (timetabling, not running, prerequisites and capacity). Module information on offer for your application will be available at application stage.
Modules and Credits	You are likely to study three modules per semester, but we ask you to choose more modules in case some of your choices are not available. Most modules earn you 20 credits and you may take up to 60 credits per semester. Please note that some language courses are only 10 credits. The total number of credits you should take are: One semester: 60 credits (equivalent to 30 ECTS credits)

	<p>Full year: 120 credits (equivalent to 60 ECTS credits) Module catalogue: provided after application.</p>																																
Module Exceptions and possible issues	<p>Nursing, Psychology and Law modules are only available where a direct agreement exists between your department within your university and the University of Hull. Please seek advice from your home coordinator and do not choose these modules if an agreement does not exist.</p> <p>Certain Social Work and Youth and Community Development modules are unavailable due to DBS checks required (working with vulnerable people/children) and other government constraints.</p> <p>Regrettably we do not offer exchange opportunities on our Medicine programmes.</p> <p>Note it may not always be possible to approve your module learning agreements in advance. If you need comparable modules you MUST ensure that you note this with your application as this may not be possible given the constraints for module choices which are: Modules may not be running; You may not have the module prerequisites; Timetable clashes; Space availability.</p>																																
Entry Requirements	<p>Academic Entry Requirements You will need to be a current student in good academic standing at your university, and have completed at least one year of your course. We assess each application individually.</p> <p>English Language Requirements All classes are taught in English, therefore students are expected to be proficient in the English language to be capable of understanding, writing reports, making presentations and completing exams.</p> <p>All International students whose first language is not English you will need to provide evidence of your English proficiency. Please visit the following link for the listing of approved English tests.</p> <p>http://www.hull.ac.uk/Choose-Hull/Study-at-Hull/Admissions/English-languagerequirements.aspx</p>

Registering with a GP	<p>If you're moving to Hull, the University requires you to register with a GP.</p> <p>All international students (non-EU) who are studying in the UK on a course of study of six months or more, qualify for National Health Service (NHS) treatment from the beginning of their stay, on the same basis as anyone else who is ordinarily resident in the UK. This means that you can access free NHS health care provision, and you can register with an NHS doctor, known in the UK as a General Practitioner (GP). Most GPs work together in groups, known as GP Surgeries.</p> <p>You will normally register as an NHS patient with a GP Surgery, rather than with an individual doctor. You should register with a GP surgery as soon as you arrive in the UK, do not wait until you become unwell, as you may not be able to get the health care you need.</p> <p>The easiest way to find a GP near you is to visit the NHS Choices website and enter the postcode of your student accommodation, please see http://www.nhs.uk/Service-Search/GP/LocationSearch/4</p> <p>You will also have the opportunity to register with a GP during Welcome Week on campus.</p>
Medical Insurance for non-EU students	<p>If you are in the UK for less than 6 months, you must have adequate medical insurance before travelling.</p> <p>You can still register with a GP surgery but will be required to pay for any subsequent consultations or medical treatments.</p>
Visa	<p>Depending on your country of origin, you may need a visa to study in the UK. We will email you with information about visa applications and UK entry documents. The information you receive will depend on the length of your study and modules you have chosen.</p> <p>Telephone: +44 (0)1482 462222 Email: immigration@hull.ac.uk Website: https://www.hull.ac.uk/choose-hull/study-at-hull/international/visas-and-immigration</p>
