Syllabi	Bachelor's Syllabi are available on our site https://www2.novasbe.unl.pt/en/programs/exchange-programs/courses-for-exchange-students . If a syllabi for a specific course is not available, please contact us international.mobility@novasbe.pt .
Enrollment	<p>Enrollment is done online in a platform to which the student will have access with a username and password sent <u>in the welcome e-mail</u>. Students are advised to choose courses from one year of studies only, in order to have a suitable schedule.</p> <p>At Nova we have a limited number of places in each course. We are not able to guarantee that all students are placed according to their first preferences: in this way, one is advised to have alternative choices approved by the home university. We have a period of changes (add/drop) where students may change their options, pending availability of places.</p> <p>Home Universities/Schools cannot ask for one specific course to be taken at Nova SBE, because we do not guarantee enrollment in specific courses. Students who come in their last semester of studies and have to take specific courses must be made aware of this rule and consider their options prior to applying to Nova SBE.</p>

IMPORTANT	
Exchange Documents	Students must send all documents by mail, dully filled in for signature. Learning agreements for the Erasmus Program should preferably be sent through the online Learning agreement system.
Transcript of Records	Transcripts of records are sent until the end of February (for Fall) and July (for Spring). No Transcripts may be issued in January or June.
Workload	<p>There is a special course list for Exchange students published in Moodle.</p> <p>Courses are full-time, Monday to Friday during working hours, and structured in Semesters.</p> <p>A regular Nova SBE student takes four / five courses per semester, corresponding to about 30 ECTS credit units.</p> <p>Each course counts for 7.5 ECTS or 4 ECTS. This implies three weekly classes of 1H30 per course, during 12 weeks. In this workload there are both theoretical and practical classes. Most courses have one practical class and two theoretical per week. (First year courses will count for 7.5 ECTS or 3.5 ECTS)</p> <p>Maximum limit of ECTS: 31,5 ECTS</p>
Assessment	<p>Assessment is defined by the course instructor.</p> <p>Mid-terms may be booked for Saturday mornings. <u>Students are advised to not make travel commitments prior to checking their mid-term schedule.</u></p> <p>In-class written work cannot be less than 50%. The weight of the exam's grade cannot be less than 30% and not more than 70%.</p> <p>Exams are offered twice: The first examination period extends over three weeks while the second lasts one week only. Be aware that no more than two examinations can be taken in the second exam period (re-sit) and you can only take them <u>if you failed the first exam or missed it.</u> Note that the evaluation method in the second assessment may be different. <u>Students must enroll online.</u></p> <p>Improving a Grade: Limited to one grade improvement exam per semester, by obtaining a grade of at least 10. Students must enroll for the exam on NetPA <u>3 days</u> prior to the exam date and pay the enrollment fee. <u>Exams will not be rearranged.</u></p>
Grading Scale	<p>0 – 20 (Fail range is from 0 to 9; 10 points is the threshold to pass)</p> <p>Equivalence to ECTS:</p>

IMPORTANT			
	ECTS Scale*	% of successful students normally achieving the grade	Definition
	A	10	EXCELLENT – outstanding performance with only minor errors
	B	25	VERY GOOD – above the average standard but with some errors
	C	30	GOOD – generally sound work
	D	25	SATISFACTORY – fair but with significant shortcomings
	E	10	SUFICIENT – performance meets the minimum criteria
