## NOMINATION & APPLICATION PROCEDURES

### Nomination deadlines:

**winter semester** (October to February): 1 May | **summer semester** (March to July): 1 November

Nominations are to be sent by e-mail at [incomings@th-deg.de](mailto:incomings@th-deg.de) and must include the following information:

- student's first and last name
- student's e-mail address
- student's study programme at the home university
- student's study programme at DIT

### Application process:

After having been nominated by their home university, students will receive the link to apply on our application portal Mobility Online.

The application deadlines for incoming exchange students are as follows:

- winter semester: 1 April to 1 June
- summer semester: 1 October to 1 December

For further information on the application process for exchange students, please follow this link: <https://th-deg.de/exchange-students#applying>

Please find our **academic schedule** here:

<https://www.th-deg.de/en/students/documents#semester-overview>

### Language requirements:

Exchange students do not need to take any German or English language proficiency test before their arrival at the Deggendorf Institute of Technology. However, students should have at least B1 language proficiency level in the language of instruction (German or English). Moreover, German language classes are included in all exchange programmes.

### Visa requirements for students:

Non-EU citizens need a students' visa before entering Germany.

An overview of all visa requirements/exemptions is available on the [website of the German Federal Foreign Office](#). For further information, students are advised to contact the German Embassy or Consulate in their respective home country.

## COURSE OPTIONS FOR EXCHANGE STUDENTS

International exchange students are free to choose courses, regardless of their study fields, after consultation with academic advisors at the home university.

Our exchange students are welcome to join English-taught courses in the fields of:  
**[Business](#) | [Computer Science](#) | [Engineering](#) | [Tourism](#)**

Please find further information on the course offers for exchange students here:

<https://th-deg.de/exchange-students#course-choices>

Students who have already completed B1 language proficiency level in German may also select courses from any of our German-taught degree programmes.

Additionally, students will attend lessons to learn the German language.

## ORIENTATION PROGRAMME

Before semester start, we offer a one- to two-week orientation programme for all incoming exchange students.

We will assist the students by helping them to register at the town hall, apply for the residence permit (if required), set up a bank account, etc. There will also be a welcome party, a “Bavarian Evening” and an intercultural training on Germany and Bavaria as well as an intensive preparatory German course.

## ACCOMMODATION & LIVING

All study locations provide private accommodation options as well as student halls of residence. For assistance with finding accommodation in Deggendorf or Pfarrkirchen, international students may contact our accommodation team:
