- [Degree in Public Management and Administration](#)
- [Master in Tourism Management](#)

Calendar ([classes](#))

Calendar ([Teaching Period](#))

### Spanish courses

By the moment **all the courses are in Spanish**, because learning Spanish is one of the most important reasons for coming to study to Spain and experience shows that language is not a problem for incoming students.

UZ offers a wide range of **Intensive Spanish** courses through the “*Servicio de Cursos de Español como Lengua Extranjera*” (ELE). There are many courses throughout the year with different duration, ranging from 3 weeks to yearly.

Intensive Courses (45 hours): continuous starting along the academic year, one every semester.

3 Weeks duration. Different levels available. 1.5 ECTS.

We also offer **free Spanish** courses during the whole year (*Depending on the demand*).

If you need more information about credits, exams... please click here [More information](#)

We also offer **english friendly courses** (references, tutorials, exams and some materials will be available in English for those in-coming students whose Spanish level is not high enough.

### Language exchange with other students

One additional chance to enhance oral skills in Spanish is to do a language exchange with a local student. You can find ads on notice boards at many Faculties and you can also post one. [More information](#)

## ACCOMODATION

The most popular way of sharing your experience in Spain, is to enroll in the University residence or to rent an apartment with fellow students. Moreover, sharing your life with Spanish students is a good way to learn more about local customs and improve your skills in the Spanish language and culture. If you prefer to create an international apartment you will get a more intercultural exchange.

### University residence

There is a University residence CMU **Ramón Acín** that provides accommodation for all the academic year for 125 students (51 double rooms, 23 single rooms). Wi-Fi and Full board (breakfast, 3-courses lunch and dinner are included) [more information](#).

### Apartments and rooms to let

The cost of renting an apartment ranges from 150 € to 350€ per person per month, depending on the area and type of apartment. In most cases, it is necessary to leave a deposit equal to one month's rent, paid in advance.

- We have an **Accommodation service** to help with the room search, and flat mates. Exchange students can ask for accommodation at [interhue@unizar.es](mailto:interhue@unizar.es)

Please, note that the Accommodation Service provides exclusively information and helps you with the accommodation, but It doesn't assume any kind of property procedures. All further steps to agree a rent have to be carried out by the student on his/her own.

- **Note boards** in the Faculty. If you prefer to find accommodation by yourself, you can use some boards on the Faculty's ground floor normally have many ads for apartments and rooms for rent, especially in the first half of September. Announcements are also placed on other Faculties' boards.

## FACILITIES AT THE UZ

### Computer rooms / Wi-Fi

There are 5 computer rooms on the 2<sup>nd</sup> floor of the Faculty building and some available computers at the library. Students are free to use computers without password and username.

Surf on the net using the UZ Wi-Fi network that covers all the campus (Huesca, Zaragoza, Teruel). Using your password supplied at your registration at the University of Zaragoza (as soon as you register, you will get access to UZ Wi-Fi).

We are in the **eduroam Wi-Fi network**, so you can use your credentials in UZ.

### Moodle Platform:

All courses use Moodle where you can get all the information and content of the courses. Students can consult the class materials, and other information needed, or to deliver assignments.

### Faculty Library

The Faculty Library is in the ground floor of the Faculty building. Feel free to read and borrow books, journals, DVD, CD and other materials from the rest of the libraries of the UZ. You can also get access to UZ databases and a wide variety of electronic journals.
