INTRODUCTORY DUTCH COURSES

At the request of the International Office, the **Leuven Language Institute** organises 'Dutch for Foreign Students' courses. These are **introductory Dutch language courses** and they are **only open to Erasmus students**. On presentation of the Erasmus-student card these courses are offered free.

- The course lasts 3 months and is meant for beginning students in order to activate communication through conversational exercises. It is a practical course based on the principles of Dutch grammar. The aim is to make students acquainted with the vocabulary of every-day life.

Students who already have a basic or advanced level of Dutch can gain entry to one of the higher levels of the regular courses if they pass the placement test.

In total, 5 basic levels and 1 perfection level of Dutch are taught.

The level 1 to 5 modules can be taken either intensively (12 hours/week) or over a more extended period (6 hours/week).

The perfection level 6 is only offered at a pace of 6 hours/week.

Besides the courses throughout the academic year, the ILT also offers a full-time **intensive summer course** in Dutch language and culture.

The course consists of 80 hours and takes place **from Friday 28 July 2023 till Friday 25 August 2023** (20 hours a week).

The course is open to undergraduates and graduates of all areas of study who wish to improve their knowledge of and communicative skills in Dutch.

The communicative approach is used in all 5 levels.

Besides the theoretical courses, many conversational exercises and complementary activities are planned (lectures, cultural happening, trip etc.).

The course is intended for students of different levels, from beginners to intermediate and advanced. The tuition fee is **€ 440** for all students.
