Student Housing

Recommended organisation	<p>https://www.sshxl.nl/en</p> <p>The University of Groningen is not a campus university, students have to find their own accommodation somewhere in town. International students can get assistance in finding accommodation from SSH.</p> <p>SSH does not have capacity to accommodate all international students and SSH is fully booked every semester. Students are advised to apply as early as possible.</p>
Other options	<p>If students do not wish to make use of the accommodation offered by SSH and want to try find housing on their own, they should take the following into account:</p> <ul style="list-style-type: none"> * Make sure to do this through official websites or companies that can be traced; * Do not go to a viewing alone;

	<ul style="list-style-type: none">* Do not pay anything before having everything in writing;* Always ask for a payment receipt;* A rent that is too low for the location or type of housing as well as unclear photos of the location may indicate fraudulent practices;* Avoid identity theft: never send a passport copy to strangers. <p>For more information about accommodation possibilities: https://www.rug.nl/education/bachelor/international-students/study-in-the-netherlands-groningen/accommodation</p>
