The existence of a valid Bilateral Agreement between your University/Department and UNIWA, Department of Archival, Library & Information Studies (ALIS), is required in order to apply as an ERASMUS student to our Department. Please check that with your Academic Coordinator.

If you wish to apply, you should contact your International Office. Your International Office must send an [e-mail](#) to our International Office nominating you. Essential information which should be included is:

- Full name of the applying student
- Contact telephone number and e-mail address
- Field of studies
- Receiving Department

After the nomination, you must send to our [International Office](#):

- [Application form](#) (download and fill in electronically)
- [Learning Agreement](#), duly completed, checked, signed and stamped (download and fill in electronically)
- a copy of your ID/Passport
- a copy of your [European Health Insurance Card](#)

Please note the following deadlines:

**For the Winter Semester: June, 30**

**For the Spring Semester: December, 12**

It is essential that we have the email address of each nominee, as we will be sending information to the student by email.

Our International Office communicates with the Erasmus Coordinator of the Department of Archival, Library & Information Studies (ALIS), who makes the final decision of student admission and in turn he informs back the International Office on his decision.

Finally, our International office communicates with the International Office of the student's Institution, in order to confirm the admission of student applicants.

Once you are formally accepted, you will receive by e-mail an official letter of Acceptance and a welcome package. Please make sure that you have received the confirmation of acceptance, before you reach our university.

Incoming students must send at least 2 weeks before the deadline expiration their draft and unsigned Learning Agreement to the Departmental Coordinator Dr. Angeliki Antoniou [by email](#) for validation before the official application.
