- Affordable and high standard student accommodations
- Over 300 courses in English!
- Modern facilities
- Safe and inclusive environment
- Close to nature

Global Lounge Internship

Every year we recruit Erasmus+ interns to our Global Lounges on both campuses. Our interns stay for one or two semesters and are an important part of the international team at UiA. Their tasks include organising events, promoting intercultural exchange and supporting fellow students in navigating university life. This is a unique opportunity to gain experience in a dynamic and diverse community.

Modern University

UiA is a modern, inclusive, and forward-thinking university that, together with our students, keep growing! The term modern does not only apply to our innovative and cutting-edge facilities, but also to our ideals and our values. We prepare our students for a lifetime of learning and personal growth through dedicated teaching in a supportive environment.

Student Accommodation

Affordable and high standard housing on or near campus and within walking distance to the city centre and nature.

Non-EU students are guaranteed housing and EU students are normally also offered housing as long as long they apply within the deadline.

Beautiful Scenery

In Norway you are always close to nature. Go hiking, camping, swimming, fishing or foraging in breathtaking natural surroundings.

Student Activities

In addition to over 60 student associations and activities, SIA, ESN and Global Lounge arrange a wide range of fun events throughout the year.
