a) Master's degree in one of the following degree classes, or a foreign qualification recognised as equivalent:

- LM 4 – Architecture and Civil Engineering-Architecture
- LM 10 – Conservation of Architectural and Environmental Heritage
- LM 11 – Conservation and Restoration of Cultural Heritage
- LM 89 – History of Art

b) suitable scientific / professional track record.

Applicants must hold all the requisites within the call deadline. The qualifications will be evaluated by a Commission that examines the eligibility and qualifications of the candidates and makes a merit rank of them.

Evaluable titles

- PhD in the History of architecture or History of art;
- Specialization diploma and/or certificates of attendance at training and/or advanced courses in digital humanities and/or digital modeling.
- Documented work in the digitization and metadata processing of cultural heritage for public and private entities with contracts, research grants, scholarships, or assignments both in Italy and abroad.
- Publications related to the study of architectural and/or historical-artistic heritage.

Required skills and competences

- Experience integrating digital technologies for the conservation, enhancement, and promotion of cultural heritage.

At the end of his/her research activity, the research fellow is required to provide the Department with:

- Report outlining the reconstruction hypothesis (both in its material and historical-artistic aspects) and the digitization and computerization processes involved

Incompatibility

The short-term research fellowship may not overlap with:

- other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;

- attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- research grants “assegni di ricerca”

Short-term Research Fellowship holders may carry out self-employed work or occasional or permanent collaborations, as long as this is coherent with the ongoing research, upon approval and on the condition that:

- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

Subordinate employment contracts holders, in addition to obtaining permission by the university, must provide the authorization of their employer.

In the specific case that the subordinate employment contract started prior to the awarding of the fellowship, compatibility with the existing employment will have to be assessed; if the assessment yields a negative result, the short research fellowship will not be awarded; in the case of a positive result, the successful candidate will have to provide the authorization of his/her employer within 15 days.

In the event that the subordinate employment contract will start once the fellowship is ongoing, the successful applicant is required to notify this change at least 30 days before the start of the employment contract for an assessment of compatibility; if the assessment is negative, the fellowship will cease by the start of the employment contract; in the event of a positive outcome, the successful applicant must provide the authorization of his/her employer within 15 days.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university
