N. 235066 of 22/09/2025 establishing the research programs for awarding of the short fellowships in “**Analysis of molecules for active aging products**”, lasting 12 months, with the possibility of renewal within the limits of art. 4 of the Regulations for awarding of university short research fellowships, on the project “R.I. x A.A. - Research and Innovation for Active Ageing: a new challenge for Research Organizations and Companies allied in Actions for Ageing”, Principal Investigator: prof.ssa Valentina Beghetto, code 24729_002195, CUP: D19J24000630007, financed through PR Veneto FESR 2021-2027 funds, in reference to the Call for the financing of research and development projects carried out by Regional Innovative Networks and Industrial Districts - Specific Objective 1.1. “Develop and strengthen research and innovation capacities and the introduction of advanced technologies” - Action 1.1.1 (Sub. A) “Strengthen research and innovation (in collaboration) between companies and research organizations”.

The expected starting date is around November 2025.

The research fellowship is awarded for the purpose of collaboration with the following research program of the Department of Molecular Sciences and Nanosystems.

Abstract: *development of new functional ingredients that can be used for nutraceutical, feed and food products. The project requires the analysis of different compounds identified by the Industrial Partners of the project and support in the possible applications for nutraceutical, feed and food products.*

The amount of the short-term research fellowship is equal to €19,367 per year gross percipient and will be subject to taxation according to current regulations. It will be paid in bimonthly instalments after certification of the regular

performance of the activity.

Deadline: 15th October 2025 at 12:00, Rome CET, noon time.

In case the deadline is on Saturdays, Sundays or on holidays it is extended to the first working day thereafter.

Rules of eligibility – Beneficiaries

Citizens belonging to European Union member states and non-community citizens in possession of the following qualifications may take part in the selection:

- 1) People with master's degree in Sustainable Chemistry and Technologies, or equivalent and an adequate scientific and professional cv are eligible. The candidate should possess competences in organic chemistry synthesis, characterisation, circular economy, biodegradation tests and LCA analysis.
- 2) People without master's degree, but with specific qualifications, should possess competences in organic chemistry synthesis, characterisation, circular economy, biodegradation tests and LCA analysis which are documented by consolidated expertise acquired by means of certified long term professional activities.

Applicants must hold all the requisites within the call deadline. The qualifications will be evaluated by a Commission that examines the eligibility and qualifications of the candidates and makes a merit rank of them.

Skills required: competences in organic chemistry synthesis, characterization, circular economy, biodegradation tests and LCA analysis; good knowledge of the English language spoken and written.

Any other evaluable qualifications: Previous experiences in public/private entities on thematic inherent with the project.

Incompatibility

The short-term research fellowship may not overlap with:

- other short-term research fellowships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- attendance of PhD courses with short-term research fellowship and medical specialization, in Italy and abroad;
- research grants "assegni di ricerca"

Short-term Research Fellowship holders may carry out self-employed work or occasional or permanent collaborations, as long as this is coherent with the ongoing research, upon approval and on the condition that:

- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

Subordinate employment contracts holders, in addition to obtaining permission by the university, must provide the authorization of their employer.

In the specific case that the subordinate employment contract started prior to the awarding of the fellowship, compatibility with the existing employment will have to be assessed; if the assessment yields a negative result, the Short-term Research Fellowship will not be awarded; in the case of a positive result, the successful candidate will have to provide the authorization of his/her employer within 15 days.

In the event that the subordinate employment contract will start once the fellowship is ongoing, the successful applicant is required to notify this change at least 30 days before the start of the employment contract for an assessment of compatibility; if the assessment is negative, the fellowship will cease by the start of the employment contract; in the event of a positive outcome, the successful applicant must provide the authorization of his/her employer within 15 days.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university

not later than noon time (12:00 Rome CET) of 15th October 2025.

The candidate, after the uploading, will receive a submission number and an e-mail acknowledging receipt of their application. The candidate if necessary could access the procedures for updating any data and materials through the link and submission number provided in the e-mail until the call deadline expires.

Please note that the University can be contacted for any support needs by the candidate until 24 hours prior to the deadline. For further information please contact the research office: ricerca.dsmn@unive.it, ph: 041 234 8633/8514. Please note that in case of a high number of applications and / or weight of the materials loaded by the candidates the system might become slower. Therefore, it is suggested not to start the process close to the deadline.

Incomplete applications, those without the required data and the compulsory attachments will not be taken into consideration. Furthermore, the applications which, for any reason, reach this University beyond the deadline indicated above cannot be accepted.

The declarations made in the application shall be considered issued in accordance with the DPR no. 445/2000 and subsequent amendments, by candidates entitled to use the simplified administrative certifications permitted by the above decree.

Selection and Evaluation Procedure

The selection is made by assessment of the scientific-professional qualifications of the candidates, by a Selection Committee appointed by order of the Director of the research department taking into account, whereas possible, gender balance.

The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call. In the event of two or more candidates obtaining the same score at the end of the selection, the younger candidate will be preferred.

Awarding of the Short-term Research Fellowship

Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

Publication of the results of all the selection phases shall be published in the online University notice board, on the specific Department web page (<https://www.unive.it/pag/28233>) and on the University website (<https://www.unive.it/web/en/497/home>).

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.
