(L. 240 del December 30th 2010, art. 18, DL 19/2012; Regulations about Short Research fellowships issued under D.R. 300/2014 of 14/04/2014 and subsequent amendments and additions)

The present document in English is to be considered as a mere translation of the provisions of the call that is available in Italian at the following [link](#). The text in Italian is the official text of the notice of competition for all legal intents and purposes and, in the event of non-conformity with the present document, it shall prevail.

Description

The Department of Economics of Università Ca' Foscari Venezia having regard to the Decree of the Director of the Department of Economics, establishing the research programmes for awarding of the short fellowships in:

Analysis of frailty and pre-frailty through econometric techniques applied to European SHARE (Survey of Health Ageing and Retirement in Europe) or ELSA (English Longitudinal Study on Ageing) data sets

- **Tutor:** Prof.ssa Agar Brugiavini
- **duration:** 12 months, starting from May 2026
- **GSD:** ECON-01/A; **GSD:** 13/ECON-01

The research fellowship is awarded for the purpose of collaboration with the following research programme of the Department of Economics:

Abstract:

The project Partner4Impact aims to study from a legal point of view how HEIs develop partnerships by embedding equality and inclusion, but also sustainability, and SDG alignment into collaboration strategies. It will do so by researching global best practices, developing a structured framework, and validating it through multi-stakeholder engagement. The analysis will be based on the main international and EU legal instruments. It also aims to drive long-term institutional change in HEI partnerships by investigating alternative partnership models and best practices to assess adaptability to European HEIs.

The research fellowship amounts to Euro 23.041,47, gross to the recipient and will be subject to taxation in accordance with the regulations in force. The amount, in deferred monthly instalments, is to be considered inclusive of any costs associated with the performance of the research activity envisaged by the project.

Deadline for submission of applications: 2026-05-4, h. 12.00, noon, local time.

Selection and evaluation procedure

The selection is made by assessment of the scientific-professional qualifications of the candidates, by a Selection Committee appointed by order of the Director of the research department taking into account, whereas possible, gender balance.

A Commission summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

Evaluation procedure. The Commission defines the general evaluation criteria. The qualifications and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications and any other test, as specified by the call.

Awarding of the short research fellowship

Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

The Director Decree approving the selection acts and designating the winner and the Report defining the evaluation criteria or any postponement will be notified through the publication, on the University's webpage from **2026/05/06** (<https://www.unive.it/data/12136/>)

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

Incompatibility

The short-term research fellowship may not overlap with:

- other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- research grants "assegni di ricerca"

Fellowship holders may carry out self-employed work or occasional or permanent collaborations, as long as this is coherent with the ongoing research, upon approval and on the condition that:

- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

Subordinate employment contracts holders, in addition to obtaining permission by the university, must provide the authorization of their employer.

In the specific case that the subordinate employment contract started prior to the awarding of the fellowship, compatibility with the existing employment will have to be assessed; if the assessment yields a negative result, the short research fellowship will not be awarded; in the case of a positive result, the successful candidate will have to provide the authorization of his/her employer within 15 days.

In the event that the subordinate employment contract will start once the fellowship is ongoing, the successful applicant is required to notify this change at least 15 days before the start of the employment contract for an assessment of compatibility; if the assessment is negative, the fellowship will cease by the start of the employment contract; in the event of a positive outcome, the successful applicant must provide the authorization of his/her employer within 15 days.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university
