Examination and grading system	 Exams at UiT

Traineeship / internship / placement students

UiT welcomes applications for traineeships (e.g. practical placements, internships, lab work, or research related to thesis supervision) from:

- Students from **partner institutions**
- Guest students from **Erasmus+ institutions in Europe only**

Duration requirements:

- **Minimum:** 2 months
- **Maximum:** 1 academic year per study cycle (BA, MA, or PhD), even if the semesters are non-contiguous

FOR TRAINEESHIPS IN PROFESSIONAL HEALTH SCIENCES

Applications for practical placements, clinical rotations, or traineeships in fields such as medicine, dentistry, nursing, midwifery, physiotherapy, occupational therapy, radiography, paramedicine, and bioengineering are only accepted from students nominated by UiT's partner universities.

Traineeship Guidelines

We strongly advise the nominator at the partner institution or the student to contact the partner department at UiT directly to confirm whether they can host traineeship students before the nomination.
