# NEW UNIVERSITY SI NOVA-G007

LJUBLJANA, SLOVENIA

New University is founded as a private higher education institute with elements of public-private partnership established by concession and other public funds allocated for international exchanges and research. The main goal of New University is to become an elite educational institution based on the quality of study programmes, application selection and international comparability. To achieve this goal we will respect the highest ethical standards on all areas.

Original areas of study and scientific research are law, administration, international relations, european studies, conflict resolution, slovene studies, ethics in public life and interdisciplinary programmes of law and management in the field of real estate, infrastructure and sustainable developments.

# NOVA UNIVERZA

New University is a distinctly all-Slovene higher education institution. It is based in Nova Gorica, but has its study centres in Kranj, Maribor and in the centre of the capital, Ljubljana.

**However, given the attractiveness of Ljubljana, the capital of Slovenia, all Erasmus incoming students study in Ljubljana.**

## ACADEMIC CALENDAR

At New University an academic year starts on 1 October and ends on 30 September.

The academic calendar for the current academic year can be found [here](#). Please note that these dates may change each year.

## NOMINATION PROCESS
