French grading system

- Score between 15/20 and 20/20 = very good score
- Score between 10/20 and 14/20 = average score
- Score between 7/20 and 9/20 = insufficient score
- Score between 0/20 and 6/20 = very insufficient score
- A 0/20 is not often given but demonstrates that the student could not be graded. It is given when a student misses an exam, did not provide the work required or in case of cheating.

At KEDGE, students are awarded ECTS credits. The majority of our courses offer either 4 or 5 ECTS credits. We consider a standard workload to range from 20 to 30 ECTS per semester.
