Remark

Recensiones or parts of a work

Number	Reviews or part	Remark	Identifiers
2	Adversus Andronici Camateri animaduersiones, recensio secunda	The reasons why Bekkos decided to shorten the first redaction are explicitated in the "De libris suis"; this second version contains an abridged refutation of the Florilegium Patristicum by Kamateros. This second recension is still unpublished, except for the beginning, which can be read in PG 141, 395-402.	RAP 20640.1106
1	Adversus Andronici Camateri animaduersiones, recensio prima	The first redaction of this work was written while Bekkos was patriarch of Constantinople. PG 141, 395-614 (partial edition).	RAP 20640.1220

Manuscript tradition

The information in this section is sourced from the Pinakes database, which primarily relies on data from printed catalogues. As some of these catalogues are outdated or contain inaccuracies, readers should be aware that the details provided may not always be entirely reliable. However, if the RAP sigla appears in the "Rev." column, it indicates that the RAP team has verified the accuracy of the entry.
