Recensiones or parts of a work

Number	Reviews or part	Remark	Identifiers
2	De pace ecclesiastica, recensio secunda	Probably after his deposition (1282), Bekkos undertook the revision of some of his previous works, and that is why the "De pace ecclesiastica" has a second, revised redaction. The author streamlined the original text by eliminating some passages and some quotations; the conclusion is entirely different from the first redaction.	RAP 3415.1089
1	De pace ecclesiastica, recensio prima	Laurent and Darrouzès date the first redaction of this work immediately after Bekkos' election to the patriarchate (1275-1276). PG 141, 925-942 (partial edition)	RAP 3415.1219

Manuscript tradition

The information in this section is sourced from the Pinakes database, which primarily relies on data from printed catalogues. As some of these catalogues are outdated or contain inaccuracies, readers should be aware that the details provided may not always be entirely reliable. However, if the RAP sigla appears in the "Rev." column, it indicates that the RAP team has verified the accuracy of the entry.
